THE PROPRIETORS OF THE EDINBURGH AND LEITH POST-OFFICE DIRECTORY have again the honour of submitting to the Public another Volume of the Publication, being the Fifty-fourth ; and they avail themselves of the opportunity to express their grateful thanks for the kind support and patronage which they have received, hoping their exertions to make the Publication both correct and useful will be followed by a continuance of the favour of the Public. The Map has been revised ; to which is now appended an Alphabetical List of the Streets and Public Buildings in Edinburgh, with reference thereto. An Alphabetical List of the Names of Persons in the County Directory, following the plan of last year of giving each Post-Town in detail under its separate head, is continued. The Hackney-Coach List has also been revised and enlarged ;—all which, it is hoped, will add to the usefulness of the Publication.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

N.B.—The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.

If payable on demand, 1d. stamp is thought to be sufficient, whatever the amount in the document.

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in a single bill, the duty will be the same

as on an Inland Bill, and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue, (see *North British Daily Mail*, 3d November 1854.) But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same amount,—that is, if one of the parts have the full duty, the others may be unstamped, (see *Times*, 6th November 1854.) The schedule of the act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom—17 & 18 Vict. c. 83, § 4. A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty, £100. A person taking such bill must get the whole set, stamped, otherwise he cannot recover on it or make it available—*ib.* § 6. This applies only to bills drawn within and payable out of the United Kingdom.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

RECEIPTS for money amounting to £2 or upwards,—1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt

if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—

Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money is repealed by 17 & 18 Vict., cap. 83, § 13.

Note.—Stamps may be impressed or affixed. Where adhesive stamps are affixed, the grantor is required to cancel the stamps by writing his name or initials on them. Penalty for omission, £10. Penalty for removing adhesive stamps, or using them a second time, or doing any fraudulent act to defraud of duty,—£20. (16 & 17 Vict. c. 59, § 3, 4, and 5.)

RESIGNATION.—Principal or original instrument of resignation, or service, or cognition of heirs, or charter, or sasive of any houses, lands, or other heritable subjects holding burgage; also instrument of resignation of lands, &c. not held burgage,—5s. Progressive duty,—5s.

Note.—An instrument of sasive proceeding on two precepts, even although in one disposition, is liable to two duties of 5s.

The instrument in favour of an heir or donee of a creditor in an heritable security—Form, No. 3, 8 and 9 Vict. c. 31, is usually put on the sasive stamp as also the Notarial Instrument, § 1.

The Notarial Instrument under the Titles to Land Acts 21 and 22 Vict. c. 76, of which the effect upon registration is declared to be equivalent to infestment in the subjects will, it is thought, come under this *item*.

SCHEDULE OR INVENTORY of heritage or movables, or containing the terms of any proposed sale, lease, &c., or regulations for the cultivation and management of any farm, &c. separate from and referred to in lease, bond, deed, agreement, &c., chargeable with any stamp-duty not exceeding 10s.—the same duty as shall be chargeable on such lease, bond, agreement, &c., and where referred to in such, chargeable with a duty exceeding 10s.,—10s. Progressive duty,—10s.

SCRIP CERTIFICATE, after 4th August 1853, that is to say, any document denoting or intended to denote the right or title of the holder thereof, or any person, to any share or shares in any joint-stock or other company, or proposed or intended company, or any certificate declaring or entitling the holder thereof, or any person, to be or become the proprietor of any share or shares of or in any such company, where such certificate, or the right or title to such share or shares shall be, or be intended to be, transferable by the delivery of such certificate, or otherwise than by deed or instrument in writing,—1d. (16 and 17 Vict. c. 63).

SETTLEMENT.—Any deed or instrument, whether voluntary or gratuitous, or upon any consideration other than a *bona fide* pecuniary consideration, whereby any *definite and certain* principal sum or sums of money, or any *definite and certain* shares in any stocks or funds, shall be settled or agreed to be settled upon or for the benefit of any person or persons, either in possession or reversion, either absolutely, or for life or other partial interest, or in any other manner whatsoever,—if such sum or sums, or the value of such share or shares, together, shall not exceed in the whole £100,—5s.

And if the same shall exceed £100, then for every £100, and fractional part of £100,—5s.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would

have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1, 15s., one of them only shall be charged with the *ad valorem* duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with, and which shall have paid any such duty exceeding £1, 15s., it is not chargeable with the *ad valorem* duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

Exemption from this ad valorem duty.—

Wills, testaments, and testamentary instruments, and dispositions *mortis causa*.

WRIT OF ACKNOWLEDGMENT by any person infert of lands in Scotland, in favour of the heir or disponee of a creditor fully vested in right of an heritable security constituted by infertment,—10s. (16 and 17 Vict. c. 63, § 6.)

Note.—Writ of acknowledgment sch. E of Registration Long Leases Act (20 and 21 Vict. c. 26) of heirs in lease, would not come under this, but presumed must be regarded as a deed, and so liable to the deed duty of £1, 15s.

INVENTORY DUTY.

The duty is imposed on the inventory of the personal estate and effects of deceased persons, required to be recorded in the Commissary Courts according to the rates in the following table, and is regulated by the amount of such estate in *Scotland, England, and Ireland*, in the case of *persons dying domiciled in Scotland*, and in the case of *persons dying domiciled furth of the United Kingdom*, having personal estate in *Scotland*, by the amount of such estate in *Scotland*. The same rates of duty are payable on probates and letters of administration in respect of the personal property situated in *England, Ireland, and Scotland* of deceased persons dying *domiciled in England or Ireland*.—See 21 and 22 Vict. c. 56.

N.B.—It is not provided (see § 9, 12, 13, and 15 of 21 and 22 Vict. c. 56), that the inventories of the personal estates of persons dying domiciled out of Great Britain and Ireland, having personal property in *Scotland*, may contain personal property of the deceased situated in *Scotland, England, and Ireland*, and be recorded in the books of the Com-

missary Court of Edinburgh, nor of course, that confirmation of the English and Irish personal property may be obtained. It would appear that the former law will apply in such cases. The provisions in § 3 and 8 are broad enough to take in these cases, in so far as concerns obtaining appointment of executors, and recording the inventory; but there is no provision for payment of the stamp duty on the inventory, or obtaining confirmation in respect of any personal property in *England or Ireland*.

Increasing progressively to £1,000,000.

By § 3 and 8 of 21 and 22 Vict. c. 56, inventories and relative testamentary writings may be given up and recorded in, and confirmations granted by the commissary court of the county wherein the deceased died domiciled; and in the case of persons dying furth of *Scotland*, or without any fixed or known domicile, having personal property in *Scotland*, the commissary court of *Edinburgh*. Section 11 provides, that "oaths and affirmations on inventories on personal estates, given up to be recorded in any commissary court, may be taken either before the commissary or his depute, or the commissary clerk or his depute, or before any commissioner appointed by the commissary, or before any magistrate or justice of the peace within the *United Kingdom* or the *Colonies*, or any *British consul*." And § 12 and 13 provide for

the confirmation, in which shall be included personal estate in England and Ireland, being produced in the principal probate court in England, and the court of probate in Dublin, and a copy thereof deposited with the registrar, together with a copy of the interlocutor of the commissary, finding that the deceased died domiciled in Scotland, and for the confirmation being returned sealed; and for the confirmation thereafter having the same force and effect in England and Ireland as if probate or letters of administration had been granted by the above courts.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 and 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the board of Inland Revenue. If there be any omission in the inventory inferring payment of further duty, an additional inventory of such is required to be exhibited, by 48 Geo III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former inventory. By 16 and 17 Vict. c. 59, § 8, such additional inventory shall be *chargeable only with such amount of stamp duty* as, together with the stamp duty charged upon the former duly stamped inventory of the estate and effects of the same deceased person, shall make up the full amount of *stamp-duty*, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former inventory. If the estate shall be over-estimated, or something improperly included in the inventory, an inventory on a stamp corresponding to the value must be exhibited, and the original inventory will be allowed on affidavit as a spoiled stamp, within six months of the recording of the second inventory.

LEGACY-DUTY.

On Legacies, Residues, &c.

	Duty per cent.
To Children or their descendants, or lineal ancestors,	£1 0
Brother or sister, or descendant,	3 0
Uncle or aunt, or their descendants,	5 0
Grand uncle or aunt, or their descendants,	6 0
All other relations or strangers,	10 0

The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity

than the legatee, duty is payable according to such nearer relationship. (16 and 17 Vict. c. 51, § 11.)

This duty is payable for every legacy out of the personal or moveable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or moveable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument.

Annuities commencing to be payable on the death of persons dying after 19th May 1853, are valued for legacy duty according to tables annexed to the Succession Duty Act, 16 and 17 Vict. c. 51; and Annuities commencing to be payable previous to that date, by the Tables annexed to the Legacy Duty Act 36 Geo. III. c. 52.

Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty, though each or either may be separately under that amount.

N.B.—Printed forms and regulations regarding all the succession-duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the distributors of stamps in the country.

SUCCESSION DUTY.—The duty commences on the death of persons dying after the 19th May 1853, and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the act.

Personal Property is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personality (§ 1.)

Rules of Succession Duty.

Lineal issue or lineal ancestor of the predecessor,—£1 per cent.

Brothers and sisters of the predecessor and their descendants,—£3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants,—£5 per cent.

Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants,—£6 per cent.

Any other person,—£10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18), and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11.)

The following are also *exemptions* from the succession duty :—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (ib.)
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.)

Note.—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country.

DISCOUNT ON THE PURCHASE OF STAMPS.

Parties who may purchase *stamps* (except receipt stamps, labels for medicines, newspapers, and postage stamps) at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in the whole, are allowed discount at the rate of 30s. per cent.—12 and 13 Vict. c. 80 : and any person who *purchases* at the stamp

offices of London, Edinburgh, or Dublin, stamps for *receipts* to the amount of £5 or upwards, or of any distributor or sub-distributor not within ten miles from said respective offices, to the amount of £1 or upwards, shall receive an allowance at the rate of £7, 10s. per cent.—no allowance for a fraction of a pound.—13 and 14 Vict. c. 97, § 18.

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance : Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Glasgow, Greenock, Inverness, Perth and Wick.

A supply of forms of affidavits is kept by the solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken ; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday se'ennight, and within six weeks from the date of the ticket. If not made within that time the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the

case of unexecuted instruments. If beyond that distance, six months in the former, and twelve months in the latter case.

Bill or notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill be produced, in all respects the same, excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III. cap. 133.

Unsigned instruments are allowed, if inadvertently spoiled. Signed, if void in law from the beginning ; from error or mistake, unfit for the purpose originally intended ; from death or refusal to sign, of any person whose signature is necessary from the want of the signature of some material and necessary party ; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of the purpose intended ; or if the transaction be carried through by another instrument duly stamped.—See 53 Geo. III. cap. 108. In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as

to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The commissioners, by 3d and 4th Will. IV. cap.

97, § 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorised to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty or deficiency of duty, shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty, a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of 5 per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty.—13 and 14 Vict. c. 97, § 12.

Abroad.—If the deed shall be executed by

any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners.—13 and 14 Vict. c. 97, § 13.

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, and transmitted to London to be stamped, if within two months of the first date (the solicitor may, in certain circumstances, receive them within two months of the last date), on payment of the duty: if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a schedule, and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5, Inland Revenue, between 10 and 12 o'clock, on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office; and afterwards he pays it, and the penalty, if any, to the cashier, No. 3, Lobby. The instrument will be returned through the Warehouse-keeper, No. 2, Lobby, and it must be called for after eight days, and within twenty-one days, from the date of its being lodged.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh) and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the pur-

pose. The deed shall then be received in evidence notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor instruments after being signed, prohibited from being stamped. The opinion of the Commissioners may be appealed against to the Court of Exchequer at Westminster, on the stamp duties assessed being paid, and 40s. for costs being deposited. (13 and 14 Vict. c. 97, § 14 and 15). The Commissioners may also adjudge on deeds not

liable to any stamp duty ; and if any duty is assessed the party may appeal. (16 and 17 Vict. c. 59, § 13).

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely (*see above*). The mode of proceeding is as follows :—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3, Lobby. Then the schedule (the duty to be impressed of course not being inserted in the schedule), the instrument after execution, and a full copy (written on foolscap paper) of it (omitting the bounding

description of lands, &c., and having appended to it a table giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page of the copy on which each commences), are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party, who can give explanation, must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3, Lobby.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5, Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a-week to the Head Office. The

principal instrument, as well as the duplicate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

Mem.—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

DIRECTIONS TO THE CITY PEDESTRIANS.

To avoid jostling in meeting upon the Foot-pavements, observe the general rule, "Keep to the Right," or, in other words, allow those that you meet to pass on your left. If this well-known rule were more generally acted upon, much inconvenience would, of course, be avoided in our crowded Thoroughfares.

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
RIGHT HONOURABLE THE EARL OF COLCHESTER.

I.—RATES OF POSTAGE.

Inland Letters.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

If paid in advance.

Letter weighing not more than half-an-ounce	1d.
” ” more than half-an-ounce but not exceeding one ounce	2d.
” ” more than one ounce but not exceeding two ounces	4d.
” ” more than two ounces but not exceeding three ounces	6d.
and so on; twopence being charged for every additional ounce.	

Unpaid Letters.

Except on re-directed letters, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, must, on delivery, be charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid. No letter exceeding four ounces can be forwarded, unless prepaid.

Colonial and Foreign Letters.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage at page 421.

Addresses to the Queen and Petitions to Parliament.

Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

Newspapers and other periodical Publications bearing the Newspaper Stamp.

All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may be transmitted and re-transmitted through the post within the United Kingdom free from postage under the following regulations, viz. :—

1. They are subject to the same restrictions with regard to the number of sheets and super-

ficial extent as were lately applicable only to newspapers properly so called. These restrictions are shewn in the following Table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on One Side.
One Penny	Two	2295 inches.
Three Halfpence	Three	3443 „
Twopence	Four	4591 „

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of one penny.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
8. It must contain no enclosure.
9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, after having the address of one person written on it, be sent to another person, the first address must be cut off, otherwise the paper will be charged as an unpaid letter.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of one penny, which must be prepaid by affixing a postage stamp.
11. When a newspaper, &c., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, &c., be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged twopence. In case of any other irregularity, the publication is dealt with in accordance with the regulations of the book post.
12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Stamped publications which have been issued more than fifteen days, can be forwarded within the United Kingdom and to most of the colonies under the regulations of the book post.

Newspapers sent abroad must have been registered at the General Post-Office; and instead of requiring to have an impressed stamp, each newspaper, if sent to a British Colony, is liable to a postage of 1d. (which must be prepaid by a postage label or in money), together with an additional postage (as shewn in the Table of Colonial and Foreign Postage) when the newspaper has to pass through a foreign country. In the same table will be found the postage of newspapers sent to foreign countries.

Parliamentary Proceedings.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the following rates of postage:—

- | | |
|----------------------------------------------------------------------|-----|
| Weighing not more than four ounces | 1d. |
| „ more than four ounces but not exceeding eight ounces | 2d. |
| „ more than eight ounces but not exceeding twelve ounces | 3d. |
| „ more than twelve ounces but not exceeding sixteen ounces | 4d. |
- and so on; one penny being charged for every additional four ounces,

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference is only charged. The words *P.A.R. PRO.* should be invariably written or printed on the cover.

To the British colonies and possessions in West Indies, Canada, Hong Kong, Ceylon, Malta, and Gibraltar, the rates chargeable on Votes and Proceedings are the same as printed books, and to certain other colonies, according to Inland Book-rate.

Inland Book Post.

At the following charges, and on the subjoined conditions, book packets may be sent by the post to any place within the United Kingdom:—

Weighing not more than four ounces	1d.
„ more than four ounces and not exceeding eight ounces	2d.
„ more than eight ounces and not exceeding sixteen ounces	4d.
„ more than one pound and not exceeding 1½ pounds	6d.

and so on; 2d. being charged for every additional half-pound or any less weight.

- The postage must be prepaid in full, by means of postage stamps affixed outside the packet or its cover.
- Every packet must be sent either without a cover, or in a cover open at the ends or sides.
- A book packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however, of letters, whether sealed or open). And the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps; markers (whether of paper or otherwise), in the case of books; and, in short, whatever is necessary for the safe transmission of the packet, or usually appertains thereto, but no patterns or books of patterns can be admitted.
- A book packet, whatever may be the postage paid thereon, must not contain any *written* letter, closed or open, or any enclosure sealed or otherwise closed against inspection. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter, and may therefore be made.
- No book packet can be received, if it exceeds two feet in length, width, or depth.
- Any packet which shall not be open at the ends or sides, or shall have any written letter or any communication of the nature of a letter in it, or upon its cover, is charged with the “unpaid” or double letter postage.
- If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorised enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter, together with an additional rate of 1d.; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.
- If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of 1d., it must be forwarded, charged with the deficient book postage, together with an additional rate of 1d.; but any packet which shall bear no postage stamp is charged with the “unpaid” or double letter postage.
- In every case in which the postage charged upon a packet under these regulations would be greater than the letter rate, the latter postage is substituted.

Colonial Book Post.

At the following charges, and on the same conditions as the foregoing (except that no packet weighing more than three pounds can be sent to the East Indies or to New South Wales), book-packets can be forwarded to every Colony:—

To India, Ceylon, New South Wales, Victoria, Tasmania (Van Diemen's Land), South Australia, Western Australia, New Zealand, Mauritius, and Hong Kong, the charge is as follows:—

	<i>Via Southampton.</i>	<i>Via Marseilles.</i>
Weighing not more than four ounces	4d.	6d.
„ more than four ounces but not exceeding eight ounces	8d.	1s. 0d.
„ more than eight ounces but not exceeding one pound	1s. 4d.	2s. 0d.
„ more than one pound but not exceeding 1½ pound	2s. 0d.	3s. 0d.

and so on; two rates being charged for every additional half-pound or fraction of a half-pound.

Charges to every other Colony:—

Weighing not more than four ounces	3d.
„ more than four ounces but not exceeding eight ounces	6d.
„ more than eight ounces but not exceeding one pound	1s. 0d.
„ more than one pound but not exceeding 1½ pound	1s. 6d.

and so on; 6d. being charged for every additional half-pound or fraction of a half-pound.

Newspapers and Books to France, Belgium, &c.

	Not exceed- ing 4 oz.	Above 4 oz. and not ex- ceeding ½ lb.	Above ½ lb. and not ex- ceeding 1 lb.	Above 1 lb. and not ex- ceeding 1½ lb.	Above 1½ lb. and not ex- ceeding 2 lb.

For a Packet of Books or Printed Papers other than British Newspapers	0 3	0 6	1 0	1 6	2 0

And so on, adding Twopence or Sixpence, as the case may be, for each additional half-pound.

The same rates of Postage must be paid in advance upon Newspapers and other Printed Papers addressed to any of the following countries and places, the correspondence for which is forwarded, as a rule, through France, viz.—Baden, Bavaria, Greece, the Papal States, Two Sicilies, Switzerland, Syria, Tripoli, Tunis, Turkey and Egypt, and Wurtemberg, *when specially directed to be forwarded "via France."* On the class of Printed Papers, the rate paid in this country will cover the whole charge, either to the extreme frontier of France, or to the port of disembarkation, if they are conveyed from France by one of the French Mediterranean Packets.

Upon Newspapers addressed to the Ionian Islands *specially directed to be sent via France*, and upon Newspapers for Malta, *specially directed to be sent "by French Packet via Marseilles,"* the same rates of Postage must also be paid in advance.

The following is a list of the places in Turkey, Syria, and Egypt, at which France maintains Post-Offices, to all which the above rates apply, viz.:—Alexandria, Jaffa, Beyrout, Tripoli in Syria, Latakia, Alexandretta, Messina, Rhodes, Smyrna, Mytelene, Dardanelles, Gallipoli, and Constantinople.

All Newspapers, to be forwarded at the lower of the two rates mentioned above, must be posted within Fifteen Days from the Date of Publication.

There must be no other writing or marks upon the Newspapers or Printed Papers than the name and address of the person to whom they are sent, nor anything upon the cover but such name and address, the printed title of the papers, and the printed name and address of the publisher or vendor who sends them.

If any of the above regulations be disregarded, or if the whole postage be not paid in advance, the Packets will either be detained, or forwarded charged as unpaid Letters.

Newspapers addressed to the Mediterranean or the East Indies, and intended to be sent in the closed Mails by way of Marseilles, will continue liable to the existing regulations, including the present Rates of Postage.

Sardinia, Tuscany, Spain, &c.

Rates of postage (which must be paid in advance) chargeable upon Book Packets, including Newspapers and other printed Papers, addressed to Spain, the Balearic and Canary Islands, Sardinia, Tuscany, Parma, and Modena, when specially addressed *via Sardinia* :—

For a Packet of Registered Newspapers.

Above 4 oz. and not exceeding 8 oz.	0 4	0 8
Above 8 oz. and not exceeding 16 oz.	0 8	1 4
and so on, two rates being charged for every additional 8 oz. or part of 8 oz.		

For a Packet of Books and other Printed Papers.

Not exceeding 4 oz.	0 4	0 6
Above 4 oz. and not exceeding 8 oz.	0 8	1 0
Above 8 oz. and not exceeding 16 oz.	1 4	2 0
and so on, two rates being charged for every additional 8 oz. or part of 8 oz.		

To Spain, the Balearic or Canary Islands, bound Books cannot be sent; neither can Prints, Music, Maps, nor Drawings, unless they form part of any publication included in a packet of printed papers.

Precautions against Fraud, &c.

The Head Postmaster who first receives a book-packet is required, whenever he has ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine the packet; and every book-packet which is not open at the ends or sides, or which exceeds two feet in length, width, or depth, or which has any letter or any communication of the nature of a letter written or printed in it or upon its cover, or which does not bear postage stamps equal to a single book-rate, is ordered to be sent up, with as little delay as possible, to the Returned Letter Branch of the Circulation Office in London, Dublin, or Edinburgh, as the case may be; but in the case of any other infringement of the regulations, the packet is dealt with by the Postmaster himself.

To prevent obstacles to the regular transmission of letters, any Head Postmaster may, when necessary, delay forwarding a book-packet for a period not exceeding twenty-four hours beyond the ordinary time; and at Packet Offices the delay may, at the option of the Postmaster, be either for that period, or until the despatch of the mail next after that by which the book-packet ought otherwise to be forwarded.

II.—REGISTRATION.

By the prepayment of a fee of sixpence (which must be made, not in money, but by affixing stamps) any letter, &c., *paying full letter-rate*, may be registered to any place within the United Kingdom. Book-packets and newspapers can also be registered to the colonies. To foreign countries *letters only* can be registered. Every letter to be registered should be presented at the Paid Letter Office, and a receipt obtained for it, and must on no account be dropped into the letter box. If a letter marked "Registered" be put in the letter box, it will be liable to a registration fee of 1s., instead of the ordinary fee of 6d. The registration of a packet makes its transmission more secure, by rendering it practicable to trace it, when inland, from its receipt to its delivery; and when foreign or colonial, if not to its delivery, at least to the port of despatch. The Post-Office does not guarantee the safe delivery of the letter, &c., though the officers are of course responsible to the Postmaster-General, who will call to strict account any one neglecting his duty on this point, and, if his Lordship think proper, will require him to make good any loss that may be sustained thereby.

The latest time for posting registered letters is half-an-hour before the time for posting ordinary letters.

Parliamentary Notices.

Parliamentary notices may be forwarded through the post under the following regulations:—

1. The words "Parliamentary Notice" must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such Parliamentary Notice should also be legibly printed or written on the face of the letter; though this latter is not imperative.
2. These notices must be posted either at the General Post-Office, St Martin's-le-Grand, in London; the General Post-Office in Dublin; the General Post-Office in Edinburgh; or at the chief office at one or other of the following towns:—

Aberdeen	Exeter	Liverpool
Athlone	Glasgow	Manchester
Belfast	Inverness	Newcastle-upon-Tyne
Birmingham	Leeds	Norwich
Bristol	Lincoln	Shrewsbury.
Cork		

3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted on or before the 12th December, unless the 12th falls on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served later than the 15th, may be posted after the 12th of that month.
4. The postages chargeable on these notices must be prepaid by stamps; the registration fee of sixpence on each notice being paid in the usual manner.

5. The notices must be posted at the Post-Office window, accompanied with duplicate lists of the addresses; the letters being arranged, for the convenience of comparison, in the order of the list. These lists are examined by the officer in attendance at the window; and if each list correspond with the address, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post-Office, London.

The hours for receiving both Parliamentary Notices and the undermentioned Voting Notices are the same as those for the registry of ordinary letters, unless the Parliamentary Notices be presented at such a time as to interfere with the ordinary duties of the office; in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; providing that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th.

Whoever sends Parliamentary Notices should, if possible, arrange on the day before with the Postmaster as to the most convenient time for posting them, and state the probable number.

Voting Notices.

On prepayment of the postage and of a registration fee of twopence, a notice belonging to any one of the classes enumerated in the Act 6 Vict. c. 18 (relating to votes for members of Parliament) can be sent through the post with the securities for their safe delivery enjoined by law, provided it be brought duly directed, open and in duplicate, to a Postmaster of an office where Money-Orders are issued or paid. On receiving the notice, the Postmaster has to compare it with the duplicate; and if the two agree, the latter will be stamped and returned to the bearer.

Poll-books.

When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating therein the time when he received it.

No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight.

III.—DELIVERY.

Letter Carriers and Rural Messengers are prohibited, under pain of dismissal, from demanding or receiving any payment beyond the postage on letters, newspapers, &c., which they are required to collect or deliver; or from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except those which have been regularly posted.

Delivery at Window.

Except where the number of daily deliveries is considerable, and where, therefore, the Surveyor considers such a regulation unnecessary, letters are delivered at the window after the arrival of every mail (within office hours) as soon as they can be sorted. In all cases, however, when there is a corresponding delivery by Letter Carriers, the window delivery (whether to the holders of private boxes or to the public generally) does not begin till the Letter Carriers have left the office, nor is it allowed in any way to delay the departure of the Letter Carriers.

In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post-Office, although for persons residing within a free delivery from such office, but who have no private box, a Postmaster is authorised, when such letters arrive by a mail for which there is a delivery from house to house, to refuse to deliver them at the window, and to send them out by the Letter Carriers, except letters addressed to the military in barracks.

Private Boxes and Bags.

Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the Revenue, it is fixed at one guinea per annum, to be paid in advance, and for a period of not less than a year; and where it goes to the Postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half-a-guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the Surveyor.

IV.—POSTAGE STAMPS.

Every Postmaster is required to have on hand a sufficient stock of postage labels and penny stamped envelopes, and to sell them to the public at the following prices:—

Stamped Labels.

Penny Labels, . . .	1d. each.	Sixpenny Labels, . . .	6d. each.
Twopenny do., . . .	2d. each.	Shilling do., . . .	1s. each.
Fourpenny do., . . .	4d. each.		

Stamped Penny Envelopes.

12 to be sold for . . .	1s. 1½d.	4 to be sold for . . .	4½d.
8 " . . .	0s. 9d.	2 " . . .	2½d.
6 " . . .	0s. 6¾.	1 " . . .	1½d.

Every Rural Messenger is authorised to sell postage stamps (including stamped envelopes) at the same prices at which Postmasters are empowered to sell them; and is required, when he begins his round, to have in his possession ready for sale at least five shillings worth of penny labels.

Stamps.

Prepayment of inland letters, &c., must be by stamps, except at the Chief Post-Office, London. In the prepayment of books, also, stamps only must be used; but prepayment of letters to the colonies or places abroad, and in the case of letters posted in Malta, Gibraltar, Constantinople, the colonies in the West Indies, under the control of the Postmaster-General, may be made either in stamps or money. Except by soldiers and sailors in Her Majesty's service, British postage stamps are not available in the payment of letters, &c., *coming into the country.*

V.—MONEY-ORDERS.

Requisition Forms for Money-Orders are sold at the rate of ten forms for one penny, or of five or any smaller number of forms for a halfpenny.

No order is to contain a fractional part of a penny.

With the subjoined exceptions, no Money-Order can be issued unless the applicant furnish, in full, the surname and one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid), together with the remitter's address; and if the name of either party be tendered at greater length, it must be received and advised accordingly.

Particulars required for Money-Orders.

1. If the particulars be furnished in writing (whether by filling up the blanks in the printed form or wholly in manuscript), it will not be necessary to give the Christian name in full; it will be sufficient if the first letter be given.
2. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and if a firm, the usual designation of such firm will suffice, except a company trading under a title which does not consist of the names of the parties composing it, as the "Carron Company," to which kind of company the above privilege does not extend.
3. When the remitter notifies in writing that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee. The issuing officer must in such case cross the order in the way that cheques are commonly crossed when they are to be paid through a bank.

When application is made for a Money-Order payable in London, or any other town where there is a plurality of Money-Order Offices, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be paid at the Chief Office alone. It is not, however, incumbent on a Postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the Metropolitan Office.

Payment of Money-Orders.

When an order is presented for payment (otherwise than through a bank), the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant for payment is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or any other person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money-Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money-Order is dispensed with.

Lapsed and Void Orders.

Money-Orders do not require a receipt stamp.

Payment of an order must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March), otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed "Lapsed Money-Orders," containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money will be lost.

No application can be entertained for compensation for alleged injury from the non-payment of a money-order at the expected time; and after once paying a money-order, by whomsoever presented, the office is not liable to any further claim.

Under no circumstances can payment of an order be demanded on the day of issue; and as respects orders granted at minor offices, time must be allowed for the advice to pass through the Metropolitan Office.

In case of the miscarriage or loss of a money-order, a duplicate is granted on a written application (with the necessary particulars) to the Comptroller of the Money-Order Office of the kingdom where the original order was issued; and by a similar application to the same officer, who (except as regards a temporary power to stop payment) can alone act in such cases, authority can be obtained to transfer the payment of an order from one office to another, or to stop payment, or to correct any error in the name of the remitter or payee, or to repay the money to the remitter. Every such application, however, must contain, in postage stamps, a second commission (namely, threepence for an order not exceeding £2, and sixpence for an order above that sum), though one commission will suffice even when, in the same application, more things than one, relating to the same order, are asked for; as both the stoppage of payment and repayment to the remitter. Unless a sufficient reason be given for an exception, the application must be either from the remitter or payee. Whenever, on complaint being made, it is found that the necessity for an application entailing the payment of a fresh commission is attributable to the Post-Office, the stamps transmitted in payment of the commission will be returned; and when it can be ascertained where the blame lies, the officer in fault will be required to pay the additional commission.

A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the applicant with the prescribed form of application. Moreover, if payment of an order is refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the Postmaster should advise the applicant for payment to communicate with the remitter, and request him to apply to the Comptroller of the Metropolitan Money-Order Office of the kingdom in which the order was issued, enclosing in his application the additional commission (in postage stamps) chargeable for the alterations required.

No Letter Carrier or other servant of the Post-Office is bound to procure a Money-Order for any person, nor to obtain payment for one, but such services are not forbidden.

No Money-Order business must be transacted on the Sunday; but for the convenience of the labouring classes the office must be kept open on the Saturday night till eight o'clock (or as near that hour as the despatch of the mail will allow), except where the Surveyor shall consider such arrangement unnecessary.

VI.—MISCELLANEOUS RULES.

With the following exceptions, no letter, &c., can be forwarded by the post which is more than two feet in length, breadth, or depth. The exceptions are—

1. Packets to or from places abroad.
2. Packets to or from any of the Government Offices or Departments, or Public Officers.
3. Petitions or addresses to the Queen, whether directed to Her Majesty, or forwarded to any member of either House of Parliament.
4. Petitions to either House of Parliament, forwarded to any member of either House.
5. Printed Parliamentary proceedings.

No information can be given respecting letters which pass through a Post-Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Letters must not be returned to Writers.

Postmasters are not authorised to return any letter, &c., to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon; as every letter, &c., must be delivered to the person to whom it is directed, and to him alone.

Late Letters.

Late letters, &c., are received till within five minutes of the despatch of the mails, except in those large towns where the Surveyor may deem an interval of ten minutes necessary, and excepting that no office is to be kept open merely for this purpose after ten o'clock at night.

Prepayment of late Letters.

No late letters, &c., must be forwarded by the mail preparing for despatch unless prepaid, and that in stamps, so as to include both the ordinary postage and the late-letter fee.

Re-directed Letters, &c.

With the subjoined exceptions, every re-directed letter, newspaper, or other postal packet, is liable to an additional postage (at the prepaid rate), unless the re-direction be made by an officer of the Post-Office, and be within the district belonging to the same Head Office. Thus, on a paid or unpaid letter, re-directed by an officer of the Post-Office to any other postal district in the United Kingdom, and weighing not more than half-an-ounce, an additional postage is levied of one penny; or if the weight be more than half-an-ounce but does not exceed an ounce, of twopence; and so on. Upon a book thus re-directed to any other postal district in the United Kingdom, and weighing not more than four ounces, an additional postage of one penny is levied; or if the book weigh more than four ounces but not exceeding eight ounces, an additional postage of twopence; and so on. A registered letter, when re-directed, is not subject to more additional charge than an ordinary letter. Letters addressed to commissioned officers in the army, navy, or ordnance, employed on actual service in any of Her Majesty's colonies, or on any foreign station, may be re-directed to such officers when removed *upon service* (whether at home or abroad), and are delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. The same privilege extends to the letters of the soldiers and seamen described in the Table of Colonial and Foreign Postage, except as regards foreign postage, which must be paid.

Every Postmaster is required to have a notice conspicuously placarded, giving information respecting the hours of attendance, the despatch and delivery of letters, &c.

During the time the office is open on Sunday, the public are allowed to prepay foreign or colonial letters, to purchase postage stamps, and to have letters registered; and all other duties as usual, except the issue and payment of Money-Orders, which on that day are wholly suspended.

At no office is there more than one delivery on the Sunday; and any person is at liberty to prevent even this, so far as relates to himself, as shewn in the following regulations:—

1. Any person can have his letters, &c., retained in the Post-Office on Sunday, by addressing to the Postmaster a written request, duly signed, to that effect.
2. Such request will be held to include newspapers, and all other postal packets, even such as may be marked "immediate," as no distinction can be allowed.
3. No letters, &c., the non-delivery of which by the Letter Carrier on Sunday has been directed, can be obtained from the Post-Office window on that day.
4. Private box-holders have the option of applying for their letters at the office while it is open for delivery on Sunday, or of abstaining from so doing, as they may think proper, but no person can engage a private box for Sunday only.

5. To prevent the inconvenience and confusion which would arise from frequent changes in these instructions, no request can be entertained unless it extend to a period of at least three months, nor withdrawn, even after the lapse of that time, without a week's notice.

No Postmaster is bound to give change, or is authorised to demand change; and when money is paid at the Post-Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Except as regards foreign and colonial letters about to be prepaid in money, a Postmaster is not bound to weigh any letters or other packets for the public, though he may do so if his duty be not thereby impeded. Postmasters are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post-Office. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; razors, seissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything explosive or combustible.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying letters incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

The following are exceptions from the exclusive privilege of the Post-Office in the conveyance of letters:—

1. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed:
2. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof, commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a Court of Justice:
3. Letters sent out of the United Kingdom by a private vessel (not being a packet-boat):
4. Letters of merchants, owners of vessels of merchandise, or the cargo or loading therein sent by such vessels of merchandise, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise:
5. Letters concerning goods or merchandise sent by common carriers to be delivered with the goods which such letters concern, without payment for receiving or delivering such letters.

But the following persons are expressly forbidden to carry a letter, or to receive or deliver a letter, even though they shall not receive payment for the same:—

- a. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack-horses; and owners, drivers, or guards of stage-coaches.
- b. Owners, masters, or commanders of ships, vessels, steam-boats, or boats called or being passage or packet-boats, sailing or passing coastwise or otherwise between places within Great Britain or Ireland, or between ports within Her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board:
- c. Passengers or other persons on board any such ships, vessels, steam-boats, or passage-boats:
- d. The sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other Her Majesty's dominions.

THE following are the advantages given by this Company:—

Nine-tenths of the whole Profits divided among the Assured, without incurring any liability.

The guarantee of a responsible body of Proprietors, either personally or otherwise assured with the Office, affords the most undoubted security to all classes of Assurers, with all the advantages of Mutual Assurance.

[Continued.]

Edinburgh Life Assurance Company—continued.

Under Four successive Declarations of Profits, the accumulated Bonuses on the Company's earliest Policies now range from £50 to £173 per cent. of the sum originally Assured, as shewn by the following cases, taken from a fuller table in the Company's *Book Prospectus*.

Of BONUS ADDITIONS Paid on some of the Oldest Policies of THE EDINBURGH LIFE ASSURANCE COMPANY which have become Claims, varying according to Age, and the endurance of each Policy.

188	30	63	200	0	0	106	15	0	306	15	0

Bonuses may be surrendered for a cash payment, or applied in reduction of the Annual Premium. Many Policy-holders have thereby wholly redeemed their Premiums, with a Bonus still attaching to the Policy, and *increasing*.

To later entrants the results are, in proportion, equally satisfactory; the Bonus declared on all Participating Policies of seven years' endurance at last investigation, 1856, averaging upwards of *one and one-half per cent. per annum* of the sums assured, and the gradual advancing rate of Bonus, affords the fairest prospect to all present and future Insurers, that these results will be maintained, until they also shall derive equally high benefits, when they become the oldest existing Policies of the Company.

An Intermediate Bonus (in addition to the above) between one Investigation and another affords all the advantages that *may be supposed to accrue from Annual Divisions*.

Liberal Resolutions connected with the conditions of the Policies of this Office make them, in every respect, a sound negotiable document, and in all *Insurances for Family Provisions*, or otherwise, to protect the interest of Representatives, it may confidently be maintained, that *in no other Life Institution can higher benefits be derived by all First-class Lives*.

Copies of the Reports by Mr James Brown, accountant, on the principles of the Company's Plan of Division, may be had on application at the Head Office, or Agencies.

Twenty-one days allowed for payment of Premiums, after they become due, and in the event of the party dying, payment within the twenty-one days, by the representatives, is held sufficient for preserving the Policy.

Prospectus, and Printed Forms of the Proposal and Declaration for effecting an Insurance, may be had, gratis, at the Head Office, or from any of the Company's Agents.

No Entrance Money, nor any charge beyond the payment of the Premium, in effecting a Policy.

Very moderate Rates, without Participation, equivalent on Young Lives to an immediate Bonus of considerable amount.

Claims paid three months after proof.

EXTINCTION AND REDUCTION OF PREMIUMS.

A POLICY was opened with the Company in 1826 for £2000 on a Life then aged 45. The party paid an Annual Premium of £74, 15s., which has now been extinguished; while, in addition, a Bonus of £1518, 1s. 10d. attaches to his Policy, and it will continue to receive further Additions at each Investigation the Party may survive.

A person who, at age 30, Assured in 1835 for £500 (Annual Premium, £12, 12s. 11d.) has obtained an Annual Reduction of £8, 17s., so that his future Annual Payment will be £3, 15s. 11d., instead of £12, 12s. 11d. as formerly; and, if he survive, this Annual Payment will be extinguished

by the application of future Profits—after which the Policy will continue to receive Periodical Bonus Additions.

The Directors invite particular attention to the liberal Terms and Conditions of Assurance introduced by this Company into the Practice of Life Assurance.

SELECT ASSURANCES.

The privileges of this class are—Permission to travel and reside in any part of the world, *free of extra premium*; and the cancellation of all conditions under the Company's Policies, which thus become unchallengeable on any ground whatever, except non-payment of the ordinary premium. Assurances of five years' standing are admissible to this class.

RENEWAL PREMIUMS AND DAYS OF GRACE.

Under these regulations, Policies of Five Years' standing, with certain exceptions mentioned in the Company's Prospectus, cannot be forfeited unless the ordinary Renewal Premium remains unpaid for 13 months. Thirty days is the regular period allowed for payment, but should the 30 days have been exceeded, the arrears can be paid at any time within 13 months from the date when the Premium fell due, on payment of a fine, without a medical certificate. Should death have taken place within the 30 days or 13 months before the renewal of the risk, the Company hold themselves liable, the arrears, and fines if any, being deducted at settlement. After the expiry of the 13 months the Policy is forfeited, but the surrender value is held at the disposal of the parties interested for five years from the regular date of renewal. The privileges of renewal under Policies of shorter duration than five years are very liberal.

SURRENDER VALUES.

Liberal allowances made for surrender of Assurances under the Profit Scheme, at any time after payment of one Annual Premium.

LOANS.

Advances made on the security of the Company's Policies to the extent of their value, at a moderate rate of interest.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

LIFE ASSURANCE.

AMONG the advantages offered by this Corporation are—

1. The Guarantee of an extensive and highly respectable body of Shareholders.
2. An Equitable Division of the Whole Profits among the Assured in the Participation Scheme.
3. The probability afforded by a successful business of a periodically increasing Bonus. And,
4. Policies Indisputable, except on the ground of fraud.

Thus combining the leading features of a Mutual with the stability of a Proprietary Company.

The Annual Revenue of the Company is now nearly £185,000, and the Invested Funds are upwards of £386,000.

DIVISION OF PROFITS.

The Company having, in the year 1857, completed the fourth quinquennial period of its existence, the Directors, after a careful investigation into the Life Department, resolved to recommend, from the profits of the past five years, a Bonus, present and prospective, to the Policy-holders of the Participating Class, of £1, 7s. 6d. per cent. per annum, on all Policies current at the 31st of January last; and although, from the Report of the Committee of Investigation, it appeared that a considerably higher Bonus might have been declared, the Meeting resolved to adopt the recommendation of the Directors, and to carry forward the surplus for appropriation at the next declaration of Profits, to take place in 1861.

THE ONLY OFFICE WHICH COMBINES, IN ONE SCALE OF CONTRIBUTIONS, THE BENEFIT OF PARTICIPATION IN THE

WHOLE PROFITS WITH MODERATE PREMIUMS.

THE PREMIUMS, at early and middle ages, are about a fourth lower than in the other Mutual or Participating Offices. They are about as low as the *Non-Participating* rates of the Proprietary Companies—which they admit of being, not only with safety, but with ample reversion of Profits to the Policy-holders, being free from the burden of Dividends to Shareholders.

The arrangement by which the Premiums are reduced to a rate commensurate with the risk, is obviously more suited for securing a competent family provision, in case of early death, than that which, by the same yearly outlay, secures a much smaller present sum, with the hope only of prospective and contingent additions. It will be borne in mind, moreover, that the higher immediate assurance in this Office does not involve the sacrifice of the Member's interest in the Profits; but that, on the contrary, there is good ground for anticipating as large eventual additions for those who live to participate, as can be given on the system of the other Offices, notwithstanding their higher rates of premium.

Examples of Annual Premium to Assure £100 at Death.

Age 25	30	35	40	45	50
£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7

Thus, a person of 30 may secure £1000 at death, for a yearly payment of £20, 15s., which, if paid to any of the other Mutual Offices, would secure a Policy for £800 only, instead of £1000.

PROFITS.

The principle on which the PROFITS are divided will commend itself as not only safe and equitable, but as the most satisfactory method on which the Profits arising from Moderate Premiums could be allocated. Instead of being frittered away among all Policies indiscriminately—including those which have subsisted only a few years, and on which there may eventually be a heavy loss to the Common Fund—they are reserved for those Members who alone can have made Surplus Payments; in other words, for those whose Premiums, with accumulated Interest, amount to the sums in their Policies.

In all points of practice—as in provision for the indefeasibility of Policies, facility of Licence for travelling or residence abroad, and of obtaining Advances on the value of the Policies—the regulations of the Society, as well as the administration, are as liberal as is consistent with right principle.

Reports explanatory of the Principles, with every information, may be had on application at the Head Office, or any of the Agencies.

Bege leave to call attention to the advantages offered by this Company:—

THE MANCHESTER FIRE ASSURANCE COMPANY was established in 1824, upon principles of public utility, and consists of a numerous and wealthy Proprietary—possessing a large paid-up Capital, which, with the accumulations of profits, offers to insurers the most ample security.

The cheerfulness and promptitude with which important losses have at all times been paid by this Company are well known and admitted, it being at all times the desire of the Directors to settle them with liberality and dispatch.

By a system of the most complete classification, the result of each description of risk is ascertained annually; and the rates charged, being founded on an experience of more than **THIRTY** years, are as favourable to the Insured as is consistent with the security of the Company.

No charge made for New Policies. Losses by Fire occasioned by Lightning, and damage caused by explosion of Gas, are made good.

Farming Stock and Implements of Husbandry on a Farm, are exempt from the Insurance Tax or Duty, and are Insured without the Average Clause.

ASSURANCES are granted upon the Lives of persons in any station, to the extent of £10,000, upon any Single Life or Lives.

FOUR-FIFTHS of the Profits of this Society will hereafter be allotted at the end of every five years, instead of every seven years as heretofore, amongst such of the Assured, for the whole term of Life, as shall have been so assured for two years or upwards previous to the date of division.

The following Table will shew the total amount of Bonuses to 31st December 1854, added to Policies of £1000 each, which have been in force from the commencement of the Society:—

Age at Entry.	Total Bonus.	Age at Entry.	Total Bonus.

The next Division of Profits will be made at 31st December 1859.

The Assets of this Society exceed £4,500,000. Its annual income exceeds £450,000.

At the Divisions of Profit which have already been made, Reversionary Bonuses exceeding £2,872,682 have been added to the several Policies, and such Bonuses are re-purchased, either by a Cash Payment, or by way of Reduction of Future Premiums.

The Directors have also power to purchase Policies for a sum payable immediately; or, on surrender of a Policy, to grant a new one for a reversionary sum equivalent in value to the purchase-money of the Policy surrendered; the Assured under such new Policy paying no further Premiums, but participating in the periodical Division of Profits.

Loans are granted on the Security of Unencumbered Policies, nearly to the extent of their surrender value. No charge is made for Policy Stamps.

Parties whose lives are Assured are permitted to reside in any part of Europe, the Azores, or Madeira, and, on payment of a small extra Premium to cover the risk of voyages out and home, to visit and reside in British North America, and the United States of America east of the Mississippi and not south of Washington, or at the Cape of Good Hope and adjacent parts south of 30° south latitude.

Law Life Assurance Society of London—continued.

Assurances made by persons on their own lives who shall die by duelling, or by their own hands, or by the hands of justice, will become void so far as respects such persons, but will remain in force so far as any other person or persons shall then have a *bona fide* interest therein. And if any person Assured upon his own life, and who shall have been so Assured for at least five years, shall die by his own hands and not *felo de se*, the Directors are at liberty, if they shall think proper, to pay for the benefit of his family any sum not exceeding what the Society would have paid for the purchase of his interest in the Policy, if it had been surrendered to the Society on the day previous to his decease.

The sums due on the Policies will be paid at the expiration of three months after proof of the requisite facts.

Written notices of the assignment of Policies are received and registered.

Prospectuses, Forms of Proposal, &c., may be obtained on application at the Society's Office, Fleet Street, London, or to the Society's Agents in Scotland.

MODERATE RATES OF PREMIUM—These are below the average of other respectable offices.

BONUSES.—Four-fifths of the profits are appropriated to the Policy-holders every three years. At the division in October 1857, a Reversionary Bonus, equal to *Two Pounds Two Shillings and Sixpence per cent. per Annum*, was added to the sums assured, which, it is believed, has seldom been equalled by any other office. The second Bonus division will be made in 1860, and all proposals lodged on or before the 20th July next, will have a year's advantage over subsequent proposals.

DAYS OF GRACE.—Thirty days of grace are allowed for the renewal of Policies, and claims are admitted for deaths *occurring during those days*, provided the Premium be paid before their termination.

MEDICAL FEES and STAMPS paid by the Company.

LIFE DEPARTMENT.

THE Policies, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance.

The Premiums are strictly moderate.

The Participation Scheme was begun in 1840, and the oldest Policies for £1000 in connexion with it are already increased to £1234, 18s. 2d.; those for larger or smaller sums being proportionally augmented. Bonus Additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums, the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation, that Investigations shall take place at intervals not exceeding Five Years, and intermediate Bonuses are allowed when participating Policies, in force at one Division of Profits, become Claims before another—an arrangement which secures for such cases advantages similar to those claimed for Annual Investigations.

The business in this department has been greatly extended within the last few years.

Prospectuses, with every information, may be had on application.

FIRE DEPARTMENT.

Common, Hazardous, and Doubly Hazardous Risks, are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special insurances at increased rates.

THE SCOTTISH UNION INSURANCE COMPANY was instituted in 1824, and is Incorporated by Royal Charter, and Empowered by Act of Parliament. It is composed of a very numerous, wealthy, and influential body of Proprietors, and affords the most unquestionable security to the Public from the magnitude of its Capital—a large proportion of which is invested in Government and real securities.

PROPERTY of almost every description may be assured against accidents arising from FIRE, by the Payment of a small Annual Premium; and Risks involving more than ordinary hazard are moderately rated.

All Losses, when satisfactorily ascertained, are IMMEDIATELY PAID; and the Directors of this Incorporation confidently refer to the liberality and promptitude which have hitherto marked their settlement of claims.

BONUSES

Have been declared in 1841, 1846, 1851, and 1856. At the last investigation in 1856—

A Reversionary Bonus was allocated upon those Policies entitled to participate, in proportion to the Premiums paid during the five preceding years, varying from about One to upwards of One and a Half per cent. per annum on the sums assured, according to age and duration of the Policy.

The following Examples are taken from the Company's Books:—

No. of Policy.	Issued in	Sum Assured.	Total Additions as at 1st August 1856.	Total Sum Payable.
		£	£ s. d.	£ s. d.
812	1834	4000	1236 8 4	5236 8 4

2164	1840	5000	1147 12 3	6147 12 3

The Reversionary Bonus may be applied, at the option of the Assured, in any of the following ways:—

1. *It may be added to the Sum Assured; or,*
2. *Applied in Reduction of Future Premiums; or,*
3. *Surrendered for its present value in Cash.*

The next Division of Profits will take Place in 1861.

NON-PARTICIPATING POLICIES.

The low Rates charged in the Non-Participating Class are peculiarly well adapted for Loan Transactions; also, where the object is to assure a specific Sum payable at death, at the lowest Rate of Premium compatible with Security.

COPIES of Prospectus, and all other information, may be obtained on application at the Head Office of the Company, 47 GEORGE STREET, EDINBURGH, or at any of the Company's Agents.

[Continued.]

5. An ascending scale of Premiums, whereby Policies may be effected at the lowest possible rates.
6. On Insurances for the Whole Period of Life, half the Premium may remain on credit for the first Five Years, or one-third during the convenience of the party assured.
7. No Extra Charge for residence in British North America, the Cape, Australia (excluding the Diggings), New Zealand, Port Natal, and parts of the United States, and no licence required except for the voyage.
8. On proof of age, and by special application, Policies are declared unchallengeable from and after the expiry of Five Years from their date, and parties, on receiving a licence, may go to any part of the world without incurring the forfeiture of their Policies—thus making the Policies of the Company good marketable securities.
9. Advances made on Policies, to the extent of the security they afford, when the value amounts to £50 and upwards.
10. No Entry Money or other charge. Policy Stamp paid by the office.

NEW AND IMPORTANT ADVANTAGES.

To meet the exigencies of parties, and to render the benefits of Life Assurance more generally available, the Directors have adopted the following new and important principles:—

1. APPLICATION OF PROFITS TO THE PURCHASE OF AN ANNUITY.

By this system a party not only secures the payment of the sum in the event of his death before 65, but at his option he may convert the Policy with its Bonuses into an equivalent Annuity commencing at 65.

2. HALF PREMIUM SYSTEM.

By which a party may secure all the benefits of the Half Credit System without any debt being incurred.

3. DOUBLE INSURANCE SYSTEM.

By which, for a moderate uniform Premium, a Policy may be secured, which will increase each year until, in 20 years, the sum in the Policy is doubled. This system is particularly advantageous to young lives.

For further explanation of these new principles, and for the Rates applicable thereto, see the Company's Prospectus.

ANNUITIES.

1. IMMEDIATE ANNUITIES are granted on favourable terms.
2. DEFERRED ANNUITIES, to commence at any specified age, may be secured, either with or without return of Premium.
3. SURVIVORSHIP ANNUITIES may be secured with or without return of Premium.

REVERSIONARY INTERESTS.

The Company are ready either to purchase Reversionary Interests and Life Rents, or to make advances on them to the extent of the security they afford.

FIRE INSURANCE.

The Company INSURES against FIRE—Silk, Cotton, Woollen, and Flax Mills, Buildings of all descriptions, Furniture, Stock in Trade, Merchandise, Agricultural Stock, Implements of Husbandry, and effects of every kind, at the lowest rates of premium corresponding to the risk.

Farming Stock is Insured without the Average Clause, and loss and damage by Lightning thereon made good.

No charge is made for Policies when the sum insured amounts to £300, or for Transfers from other Offices.

Insurance for seven years charged for six years only.

Losses settled with promptitude and liberality. A duty of 3s. per cent. per annum on all property Insured from Fire in Great Britain and Ireland is payable to Government, with the exception of Farming Stock and Public Hospitals, which are exempt.

The Company holds itself responsible for damage done by explosion of Gas, such explosion taking place within buildings on or in which this Company has insurance, without extra charge.

Prospectuses, containing Tables of Rates and every other information, may be had at the Head Office in Edinburgh, or at any of the Company's Agencies in the country.

The City of Glasgow Life Assurance and Reversionary Company—continued.

THE distinctive features of this Company's System are, that the Profits of the Company are divided among the Assured

ANNUALLY.

That each Policy-holder participates in these Profits at the end of

THE FIRST YEAR HE ENTERS;

and that all who pay their Premiums on the Uniform Annual Scale, may receive the value of their Bonus Additions

AT ONCE IN CASH.**BONUS ASSURANCE AT THE SMALLEST OUTLAY.**

By annually applying the cash value of the Bonus Addition in reduction of the Premium for the ensuing year, a large abatement of outlay is secured from the outset; and as the cash value of the Bonus yearly increases in amount as the party advances in age, this abatement increases correspondingly.

ILLUSTRATION.

A Party aged 25, opening a Policy for £500, with Profits, would pay at the outset a Premium of	£10 11 3
The next year, by surrendering the Bonus Addition, the Premium would be reduced to	8 8 4
At Age 35, the Premium would be reduced to	7 19 7
At Age 45, it would be reduced to	7 8 4
At Age 55, it would be reduced to	6 12 6
At Age 65, it would be reduced to	5 15 0

And thereafter it would be still further reduced during the remainder of life.

SEVEN YEARS' HALF-CREDIT ASSURANCE.

In order still farther to reduce the cost of Assurance during the earlier years of a transaction, the Directors have introduced a system of Half-Credit Assurance, whereby the disadvantages incident to Half-Credit business, as ordinarily practised, are wholly obviated.

During the first Seven Years, the Premium charged is little more than half the ordinary Premium at the same age.

At the expiry of Seven Years, the debt which has accumulated is wholly extinguished by a surrender of the Bonus, and by a small addition to the ordinary Premium.

Thereafter, by the peculiar operation of the Company's Bonus System, the Premium is largely reduced from year to year.

The distinctive advantage of this system is, that although a very trifling Premium is required during the earlier years, no permanent debt is accumulated against the Policy, and the full sum assured will be paid on the death of the party, if occurring after expiry of Seven Years.

FOREIGN RESIDENCE AND TRAVEL.

The privileges conferred upon the Assured under these heads are most liberal and comprehensive.

INDISPUTABILITY.

The Policies of the Company become indisputable, on any ground whatever, at the expiry of Five Years from their date, provided satisfactory evidence of age has been produced.

DAYS OF GRACE.

By a condition endorsed upon all Policies issued by the Company, it is provided, that in the event of death occurring during the days of grace, the Company is bound to accept payment of the Premium, if tendered within one month after the expiry of said days of grace.

Policies are issued by the Company free of charge for Stamp Duty, for Entry-Money, or for Medical Fees.

Copies of the Company's Pamphlets, Forms of Proposal, &c., may be had at the Offices, or from any of the Local Agents.

MINIMUM PREMIUMS FOR LIFE ASSURANCE.

The following are the LIFE PREMIUMS for Assurances of £100 at Death, Charged by the SCOTTISH AMICABLE LIFE ASSURANCE SOCIETY on the terms stated below:—

Age	Age	Age	Age	Age
20.	30.	40.	50.	60.
£1 8 6	£1 16 7	£2 9 7	£3 10 9	£5 7 2

These rates have been lately introduced on the principle of applying the Bonus Additions to reduce the Premium on the assumption of a Bonus at the rate of $1\frac{1}{2}$ per cent. If the Addition be more, the Policy will be increased; if less, it will be diminished. The rates of Addition at the Investigations at 31st Dec. 1832, and 31st Dec. 1839, were $1\frac{1}{2}$ per cent. per annum; at 31st Dec. 1846, 2 per cent.; and at 31st Dec. 1853, $1\frac{3}{4}$ per cent., calculated on the Policies and previous additions.

REDUCED RATES FOR SHORT PERIODS.

Age.	One Year.	Seven years.
60	£3 4 0	£3 15 0
55	1 14 6	2 9 6
50	1 9 0	1 14 0
45	1 8 7	1 9 6
40	1 5 6	1 8 2

The above are extracted from the new Table of Rates for Assurance of £100, if death occur within One or Seven years. Parties desirous of effecting such Insurances will find these Rates lower than those of other Offices.

Life Department.

THIS Company effect Life Insurances on equitable principles, with entire exemption from the liability of Partnership.

A large Capital, subscribed by the Proprietors, forms the security of the Assured.

The Premiums may all be paid at once, or in any given number of years—or quarterly, half-yearly, or yearly, as may suit the convenience of those holding the Policies.

Insurances may also be effected by paying an increased rate of Premium for a certain number of years, to be afterwards correspondingly reduced for the remainder of life; or, by beginning with a low Premium, to be increased when the expectation of greater means may be realised; or, two-thirds only of the Premium may be paid, allowing the remaining one-third to be a charge upon the Policy until its expiration, to be then deducted unless previously paid up.

All transactions in the Life Department are considered strictly confidential.

Prompt payment of claims is made three months after proof of death.

Loans granted on the Policies of this Office.

The following rates of Insurance for Single Lives are given as specimens from the Tables:—

Life Association of Scotland—continued.

THIS ASSOCIATION, now of more than twenty years' standing, is one of the most extensive Life Assurance Institutions. The Assurances transacted since its establishment amount to *Five Millions and a Half Sterling*, and are almost all on *First Class Lives*. The Policy-holders incur none of the risks of partnership, and the Sums Assured are guaranteed.

	Policies issued.	New Assurances.	New Premiums.
NEW BUSINESS during last six years,	6378	£3,016,690 19 0	£100,926 2 5
ANNUAL AVERAGE,	1063	£502,781 16 6	£16,821 0 5

On 5th April 1859, the TOTAL INCOME of the Association was upwards of ONE HUNDRED AND FIFTY THOUSAND POUNDS (£150,000).

SPECIAL PRIVILEGES TO POLICY-HOLDERS.

EXEMPTION FROM RESTRICTIONS AND FORFEITURE.

(Not usually granted by Assurance Offices.)

The Policies now being issued do not contain several of the usual Restrictions, and confer important facilities and privileges. The Policies are thus unusually valuable, and form nearly absolute securities for debts, advances of money, family provisions under marriage-settlements, &c.

DAYS OF GRACE AND NON-PAYMENT OF PREMIUMS.—There is NO FORFEITURE, if death occur during the 21 Days of Grace allowed for paying a Premium, and the premium be unpaid. After payment of Five Years' full premium, there is NO FORFEITURE by non-payment of any future premium at the proper time, but the Policy remains in force for a Year (even in the event of death), subject to payment of the premium, and of a small fine per month; and evidence of health is not required.

DEATH BY SUICIDE, &c.—After five years there is NO FORFEITURE by such death under any circumstances. Previous to five years there is NO FORFEITURE by such death as regards a third party holding an onerous assignment intimated for a month.

POLICIES INDISPUTABLE, on any ground whatever, after five years' and on proof of age.

NO LIMITS OF RESIDENCE AND OCCUPATION.—Under policies of five years' endurance, the Directors, in the majority of cases, will, on application, and without any extra charge, issue a Certificate removing all restriction on residence and occupation. In all other cases there is NO FORFEITURE by the Assured transgressing the limits of residence or occupation, if policy held by a third party ignorant thereof, who shall pay the necessary extra premium when the circumstance comes to his knowledge.

It is believed that equal advantages cannot be obtained from any other Assurance Office.

OUTLAY FOR LIFE ASSURANCE

MATERIALLY LESSENED.

By means of the "*HALF-CREDIT SYSTEM*," an Assurance for £500, or upwards, may be effected and kept in force, by payment of only *One-half* of the first six years' Premiums. The

[Continued.]

Life Association of Scotland—continued.

unpaid half Premiums remain (without security) in the hands of the Assured, so long as he pleases; and if not paid before death, the amount will be deducted from the sum assured—interest thereon being, in the meantime, payable annually in advance.

The Assured will receive the *same* share of Profit as if he had paid the full premium; and in the event of death, the full sum Assured (under deduction of the unpaid half Premiums) will be paid by the Association.

The principal advantage of the system is the small outlay required; for example—An Assurance for £250, on the ordinary system, on a life of 30, requires a payment, the first year, of £6, 5s.; while, under the Half-Credit System, that sum, together with 6s. 3d. of interest, will assure a sum of £500.

The following are examples of the first payments under Policies of £500, £1000, and £5000:—

Policy for	Age 20.	Age 30.	Age 40.	Age 50.	Age 60.
£500	£5 1 1	£6 11 3	£8 11 1	£11 12 4	£17 3 11
1000	10 2 2	13 2 6	17 2 2	23 4 8	34 7 9
5000	50 10 8	65 12 6	85 10 8	116 3 2	171 18 9

ANNUAL ALLOCATION OF PROFIT.

TO BE ENJOYED DURING LIFE.

An Allocation of Profit is made *every year* to Participating Policy-holders of five years' standing at the date of the preceding balance, and the share of profit is applied in reducing their next premiums—Each Policy-holder thus enjoys *during his own life* his share of the profit. The annual return of profit to policy-holders of the first series has now attained to 35 per cent. of the premiums—that is, a Policy-holder whose premium is £50 obtains this year a return of £17, 10s., and another whose premium is £20 obtains £7. The following are examples of the Premiums thus reduced:—

Age.	£100.	£300.	£500.	£1000.	£2000.	£5000.
20	£1 5 1	£3 15 1	£6 5 2	£12 10 3	£25 0 6	£62 11 3
30	1 12 6	4 17 6	8 2 6	16 5 0	32 10 0	81 5 0
40	2 2 5	6 7 1	10 11 10	21 3 7	42 7 2	105 17 11
50	2 17 6	8 12 7	14 7 8	28 15 3	57 10 6	143 16 3
60	4 5 2	12 15 6	21 5 9	42 11 6	85 3 0	212 17 6

The second series of Participating Policy-holders was begun in 1855; and there is every prospect that large sums of Profit will be divided also amongst them.

THE ASSOCIATION has Agents in all the towns throughout GREAT BRITAIN and IRELAND, also throughout BRITISH NORTH AMERICA.

I.—MEMBERS.

ALL parties in business (trading or professional) are entitled to admission as Members on making application in writing, being recommended by two Members, and approved of by the Directors.

II.—ADVANTAGES.

INFORMATION.—The Society affords an efficient medium through which information may be obtained by members for their guidance and protection in business.

By co-operation with the principal societies throughout the kingdom, and by an extensive circle of private correspondence in all parts of Scotland, on the continent of Europe, in the United States of America, and in the Colonies, the Society is enabled

To ascertain the standing and respectability of persons dealing or proposing to deal with Members.

To inquire into business transactions where the circumstances are doubtful or unknown, and to remove groundless suspicion.

Members may thus transact business with confidence and security.

A MONTHLY CIRCULAR, containing valuable information, is supplied to Members.

The **MERCANTILE TEST** (by special arrangement with the proprietors) will be furnished to Members who request it. This publication, in addition to leading articles on Mercantile Law, contains:—In SCOTLAND—Extracts from the Registers of Protested Bills, Decrees in Absence, Bankruptcy and Insolvency Calendar. In ENGLAND—Bills of Sale, Warrants of Attorney and Cognovits, Judges' Orders, and Bankruptcies. In IRELAND—Irish Judgments, Bankruptcies, &c.

It is an important fact, that the information obtainable from the Society is often greatly in advance of that contained in any published document. Debtors find means to retire their *Bills*, when they put off payment of *open accounts*. These accounts being handed to the Society for collection, it becomes the depository of important information, long before there is any apparent evidence of embarrassment from the dishonour and protesting of Bills of Exchange.

DEBT DEPARTMENT—BETWEEN NOVEMBER 1852 AND 30TH APRIL 1859, £42,401, 3s. 6d.

WAS COLLECTED by applications AND PAID TO MEMBERS free of charge.

BANKRUPTCY AND INSOLVENCY CASES—It is an object of the Society to protect Members against fraudulent bankruptcies, institute thorough investigation into such cases, and assist in the prosecution of fraudulent bankrupts.

MISCELLANEOUS—To protect Members from fraudulent dealings, and assist them when defrauded.

To suggest and support all necessary measures for improving the commercial laws of the country.

To assist Members by the advice of the Solicitor to the Society, in all matters falling within its sphere of action.

III.—TERMS OF SUBSCRIPTION.

The Annual Subscription to the Society is £1, 1s. This Subscription entitles Members to make any number of inquiries and receive information, collection of debts, and monthly circulars.

THE **MERCANTILE TEST** is furnished to Members in Scotland for an additional Subscription of 7s. 6d. per annum, with 4s. 4d. extra to those who wish it sent per post.

Prospectuses and copies of the Rules, &c., may be procured on application to the Secretary.

READ THIS AND THINK UPON IT.

REASONS WHY THE PROPRIETORS OF THE

OPERATIVE HAT FACTORY can SELL CHEAPER than any other House in Town:—

1st, We are hard-working men, and live by the sweat of our brow.

2d, We have Commodious Premises at a very Low Rent.

3d, We buy our Material with Ready Money, and Sell for the same.

4th, We make as Good Hats as possibly can be made.

5th, We have been in the employment of the First Manufacturers in the Three Kingdoms, and for the last few years have wrought for Mr M'Caskie of Edinburgh, in all of which we held a *first-class position as workmen.*

6th, We do not pretend to sell Hats superior to every one else; but this we honestly, firmly, and fearlessly assert, that we can sell Cheaper than any other shop can do. The reason for this is plain to every unprejudiced mind; owing to our small expense—buying our materials with cash, and getting them up ourselves—we are in a position to feel interested in the honour of our name as Manufacturers, and are enabled to sell them Cheaper than *Gentlemen* who *must* pay very high rents (from £60 to £300)—who *must* pay proportionate taxes and other incidental expenses—who *must* live in a style becoming their position and standing in high society—who *must*, to do all this, impose *enormous profits* upon their Customers. We can, will, and shall avoid all this by adhering to these rules,—hard work, small profits, and a quick return; thus commanding the attention of the Public to the honest and persevering efforts of Working Men.

* * * *If you want your Hat Well Dressed, give us a trial.*

A
GREAT
CONVENIENCE.

EVERY GENTLEMAN dislikes the drudgery of Shopping, and esteems it a luxury when in one Establishment he can be supplied with a Complete Outfit without trouble. But even those who have experience of this convenience may not fully estimate the saving in money which is at the same time effected. The Outfitter has but one Establishment to uphold, and the profit which amply remunerates him must be at least quintupled when the same goods are procured from the shop of the Clothier, the Tailor, the Hosiery, the Hatter, and the Bootmaker respectively.

Nothing more obvious. Nothing more easily tested.

JAMES MIDDLEMASS,

CLOTHIER AND SHIRT MERCHANT,

18 South Bridge, Edinburgh,

has for several years conducted his business on the principle above explained, and can now appeal with confidence to the experience of his numerous Customers. His Stock of every article of Gentlemen's Dress is always complete, and his Show and Fitting Rooms are commodious and accessible. At all times it affords him much pleasure to shew his Stock, and give every explanation to Gentlemen who may honour his Establishment with a visit. Fixed Prices.

TO

ARCHITECTS, BUILDERS, AND HOUSE PROPRIETORS.

MR. JOHNSTON, in calling attention to the following Goods, many of which are improvements suggested by Architects, would more especially request inspection of Mr. Ross's and his own recent Patents. Their novelty has to overcome prejudices of many tradesmen, some of whom are interested in the manufacture of the old sorts of Closets and Taps. He is certain that no respectable firm will stand in the way of the introduction of any improvement, and that none but a short-sighted tradesman will throw difficulties in the way of these improvements, on the ground that they are "*too durable, and WILL HURT TRADE.*" Still this has been urged as an objection. Mr. Johnston is convinced that these improvements will ultimately benefit all Trades concerned, because to improve an article in efficiency, make it non-labile to damage, and at the same time to decrease cost, is certain to indefinitely increase the demand for all sanitary appliances, and the comfort and convenience of every Kitchen, Bedroom, Office, and Warehouse being supplied constantly with pure water.

PATENT WELDED IRON TUBES AND FITTINGS.

The repeated complaints as to the inferiority of the Scotch-made Malleable Iron Pipes, has induced Mr. Johnston to accept an arrangement with the original patentees in Staffordshire, whose Tubes are manufactured from a more expensive and genuine quality of Iron, are more even and smooth-skinned, better welded, and more true and exactly round than the Scotch make. Every tradesman who knows both makes is aware of the difference, both as regards a tight and business-like job, as well as greater ease in fitting a perfectly formed pipe. The Wrought Iron Tees, Knees, &c., are recommended as being in every respect superior to the Cast ones. Tubes all sizes are kept in Stock and in various lengths, with couplers included, from 3-16ths to 2 inches diameter; **T**'s, equal and diminishing; **X** Crosses, equal and diminishing; **L** Knees, equal and diminishing; Holdfasts, Stocks, Taps, and Dies.

GAS LUSTRE MATERIALS.

This has always been the leading Department of the GLASGOW TUBE AND METAL WAREHOUSE since 1849. Previous to that time such goods could only be had in Scotland direct from the Makers, by having a multiplicity of accounts, in which case the Carriage of separate lots of Goods was very heavy, besides the long and vexatious delays which were necessarily incurred. Mr. JOHNSTON is now, and long has been, the *ONLY PARTY* in the Kingdom who keeps a Stock of

ALL ARTICLES REQUIRED BY GAS LUSTRE MAKERS, BRASSFOUNDERS, AND PLUMBERS.

PRESSURE REGULATOR, recently invented, and in connection with Ross's patent; by which a 500 feet water pressure can be reduced to as low as 12 feet pressure, and by a shifting weight, made to work to any intermediate pressure not greater than the main pressure at the inlet of the Regulator.

Special attention is directed to the

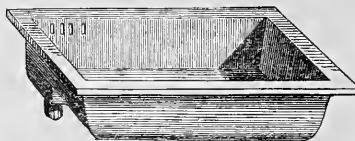

SANITARY EARTHENWARE DEPARTMENT.

In addition to the facilities the Trade of Scotland enjoy through getting all they require on a day's notice from stock kept in Glasgow, and at same or less cost than from Staffordshire, when Crates, Carriage, and Straw are taken into consideration, Mr. Johnston has established a gilding and enamelling factory in Glasgow, with a staff of first-class hands from the potteries. Any PATTERN, DEVICE, CREST, INITIAL, or FLAG of SHIPS' COMPANY can be painted, enamelled, and gilt on the shortest notice, on wash-hand Basins and other articles of Earthenware, at very moderate rates.

The adoption of Urinals in all large establishments is now admitted to be essential in a sanitary point of view. THE CARLTON WATER-CLOSET.

JOHNSTON'S PATENT.

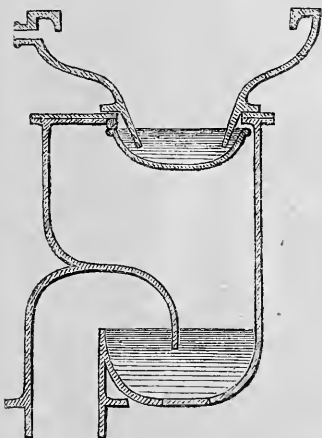

Fig. 1.

Section of Carlton Closet with Down Trap.

Fig. 2.

Elevation of ditto with Off Trap.

The Down Trap will always be sent unless otherwise ordered, and with the usual Cranks, Levers, Cistern Valves, &c., as used with ordinary Pan Closet. The CARLTON CLOSET is also made with Ross's Patent Self-Regulating Hydrostatic Valve, to work direct from the main or any cistern. Made also with Johnston's Patent Eccentric Valve, the "Economic." An Earthenware Basin, specially moulded for this Closet, can be supplied, either plain white, blue printed, marble, or enamelled and gilt.

The mechanism of this Closet is identically the same as the ordinary well-known Pan Water-Closet. There cannot therefore be any doubt as to its satisfactory working, notwithstanding the novelty of its appearance. The Trunk or Container is of one piece of cast-iron, the Copper Pan is only $6\frac{1}{2}$ inches in diameter, and the capacity of the Trunk is reduced to the smallest practicable size,—thus obviating the objection to the old Pan Closet with its large space for accumulation of foul air.

The Trap and Closet being all above level of floor, the CARLTON CLOSET can be fixed in many places where the fixing of a common Closet is objectionable, or sometimes impracticable, and in all positions it can be fixed with less trouble and cost. It can be repaired, if necessary, with more facility. In case of being choked by careless usage, the Trap is accessible through the direct passage from Basin down, so that it can be cleared without any part of Closet or Joiner work requiring to be disturbed.

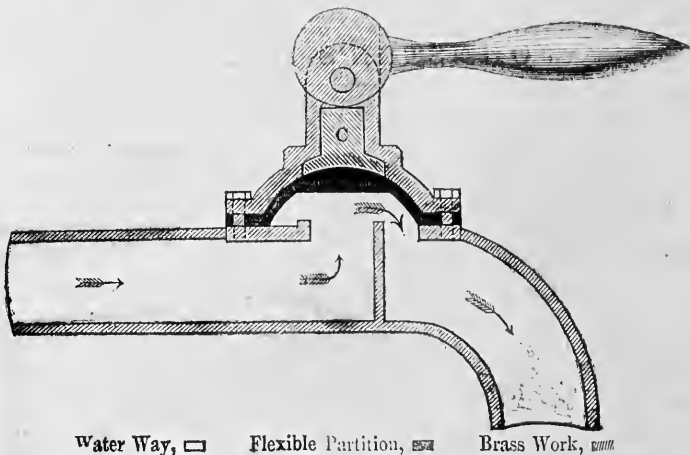

And while superior in these respects, it is no more expensive than the old Pan Closet of equal workmanship and quality, and saves in fixing 6s. to 10s. 6d. in each Closet, by not requiring a lead Trap.

As the demand for the CARLTON CLOSET has been very great, although only a few months introduced, and this demand apparently likely to exceed my capabilities of turning out sufficient quantity, I am prepared to grant Licenses to first-class makers only for quantities of six dozen at a time for a moderate royalty, and to supply the cast-iron work, pans, basins, &c., on liberal terms.

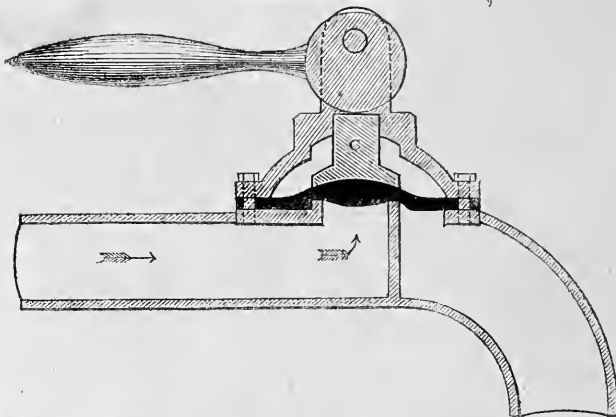

THE EVERLASTING TAP.

JOHNSTON'S PATENT.

SECTION—OPEN.

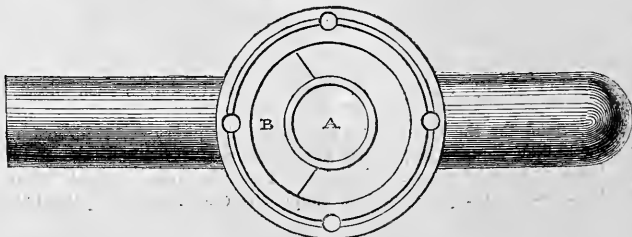

SECTION—SHUT.

The Handle being turned round, forces down the Piston, C, on Flexible Partition, and effectually closes the Water Way.

PLAN.

A, Inlet.
B, Outlet

THE SUPERIORITY OF THE EVERLASTING TAP CONSISTS IN—

The Easy and Ready mode of Opening and Shutting.

The Working Parts, being kept separate from Water Way, are not liable to derangement.

It cannot Leak, Waste Water, or get out of Order. Should water be off, it is not so likely to be left open, and cause damage, as this Tap indicates when "Shut" or "Open."

Will Work with any Pressure, from emptying a Cask or with 1000 feet Pressure, and stand frost as well as Boiling Water. Cannot be damaged by Dirty Water, and will run any Liquid Substance, and obviates all the annoyances, waste of liquids, and necessity for frequent repairs, getting stiff and unworkable, and all other disadvantages of the old Key or Screwed down Cocks. Can be had with the screw down motion instead of the eccentric.

For Distilleries, Dye Works, Breweries, Chemical Works, &c., these Taps can be made of any size, and of Iron, Galvanized Iron, Lead, Tin, or other metal.

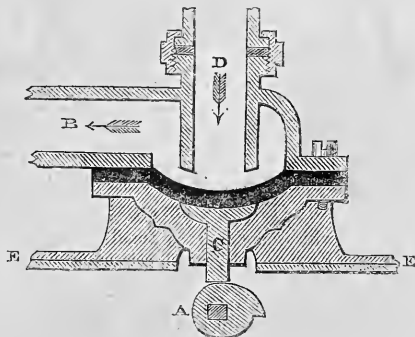

The Patent is also applicable to Fire Cocks, Ball and Stop Cocks, Swan Necks, &c.

Can be had from any respectable Plumber in the United Kingdom; or Wholesale from the Patentee.

Some parties have objected to fix these Taps on the ground of their dispensing entirely with necessity for repairs. No respectable tradesman will object on this account; but house proprietors and others, by paying a little more at first for this Tap, will effect the saving of future expense, as it is well known, that under any ordinary high pressure, the common Taps leak and require repair very frequently. They were introduced last summer, and already about 12,000 of them have been sold, and the demand is rapidly increasing. *The Public are cautioned against infringements of this Patent by obscure parties, as any party using or selling a Tap made on this principle, in violation of my patent rights, are liable to as heavy penalties as if they manufactured them.* The only parties legally authorized by me to make and sell these Taps are Messrs. James Duff & Sons, Greenock, and Mr. Samuel Sheppard, Birmingham. EVERY TAP BEARS MY TRADE MARK AND STAMP. Any sold without which are liable to seizure, and the recovery of damages.

THE "ECONOMIC WATER-CLOSET."

JOHNSTON'S PATENT.

Section of Eccentric Valve, attached to lid or cover of Iron Trunk or Container E. The eccentric A is fixed on end of journal of Pan, and is shown open. When handle is let down, the eccentric A turns round, presses up piston C, which closes Rubber Cup against face of inlet D. B is passage of Water to Basin.—The common Pan Water-Closet with this Valve attached, is called "THE ECONOMIC CLOSET," and dispenses with Cistern, Cranks, Levers, Wires, &c.

S'S ATENT SELF-REGULATING WATER-CLOSET AND HYDROSTATIC VALVE.

Fig. 1.—The ordinary Pan Water-Closet, with part of Trunk broken, to show mode of Working Valve.

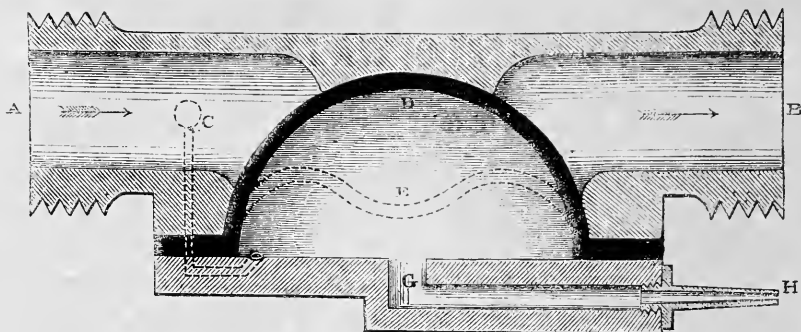

Fig. 2.—Full Size Section of the Valve or Patent Regulator.

DESCRIPTION (LETTERS REFER TO BOTH FIGS.)

A, Inlet Pipe; B, Outlet (both with Couplings); a Small Valve is attached to the Journal of Copper Pan, closing end of Water Passage. H, which communicates with inside of India-Rubber Ball at G. On raising the Handle of the Water-Closet in the usual way, the Small Valve falls back from the face of the Passage, H—the water escaping from inside of Ball, the equilibrium is destroyed, and the pressure of water through Inlet, A, forces down the India-Rubber, as shown in dotted lines at E, Fig. 2, giving a free and direct passage to the water from A to B into the Basin. On letting down the Handle of the Closet, the Copper Pan rises to position shown in Fig. 1. The Small Valve is again closed, and water-pressure gradually re-fills India-Rubber Ball through Small Valve and Passage, C, which forms the Regulator: and the flow into the Basin may be regulated to flow for a long time by tightening the Screw Valve, C, for a short flow loosen the Screw Valve, C; and when Ball is filled, it presses firm and tight to Brass Cup, as shown at D, thoroughly preventing passage of water to the Outlet, B, till Handle is again lifted for use of Closet.

ADVANTAGES OF ROSS'S PATENT REGULATING WATER-CLOSET.

1. Requires no Service Box, Cranks, Wires, nor Cistern, but can be attached direct to the main, or worked from any Cistern, however distant, thus saving great expense, and necessity of frequent repairs.
2. Non-liability to get out of repair, there being no metal surfaces acting on each other, or friction on India-Rubber, so as to cause tear and wear.
3. Cheapness and extreme simplicity.
4. Saving of Water, there being no leakage.
5. Works easily, and obviates the disagreeable noise of Cranks, Wires, and Levers.

In ordering, please to say whether for High or Low Pressure, as they are constructed for, and in satisfactory use, with a constant pressure of 500 feet. For pressures as low as 2 feet a larger Valve and a thinner Cup is especially used. When no special pressure is mentioned, they are sent of the usual description, fitted to work under any pressure from 15 to 150 feet.

AS SOLE LICENSEE,

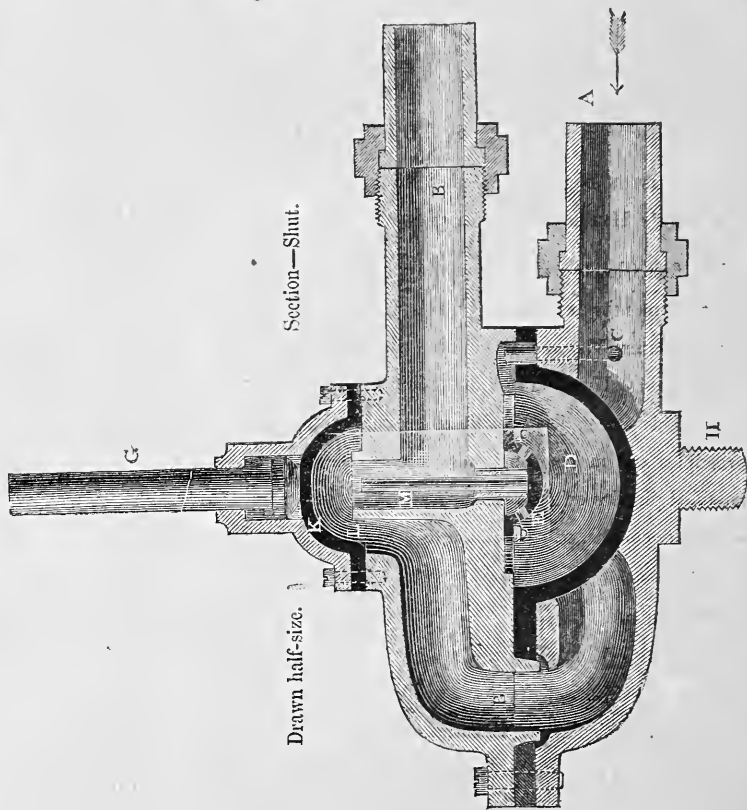

MR. JOHNSTON begs to state that NO OTHER PARTY IS AUTHORIZED TO MANUFACTURE MR. ROSS'S HYDROSTATIC CLOSETS AND TAPS, and all are marked ROSS'S PATENT.

The first Closets sent out were in some respects defective, but the experiments of last eighteen months have brought this Closet into such perfection, especially the improved Direct Water-Way and Regulating Side-Screw Valve, that there is a difficulty in meeting the demand. Upwards of 1,500 of these Closets are now in use, and giving great satisfaction. This success has brought some small imitators into the field, who, while pirating the principle, and making some alteration in details, fancy they have ground for calling such modified piracies original inventions. Any parties selling or fitting up such Closets, which are infringements, will be liable to heavy damages. Parties have already, at the instance of Mr. Ross, the Patentee, been served with legal notices for infringement of his patent rights.

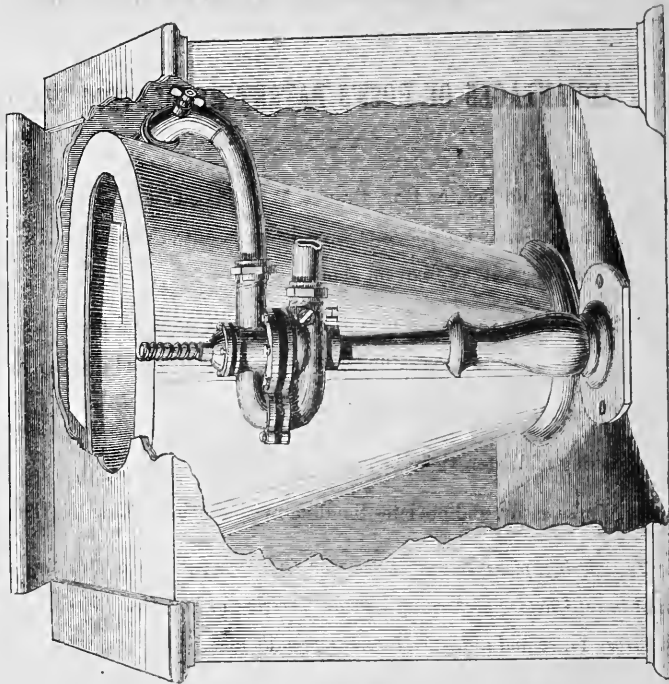

DETACHED VALVES FOR CLOSETS already in use are supplied; and this Patent is applied also to BRAMAH VALVE CLOSETS, JOHNSTON'S CALIFON CLOSET, and some others, full particulars of which may be had on application.

SELF-ACTING CLOSET VALVE.

(Description on opposite page.)

Front of seat broken off to show Valve.

SELF-ACTING WATER-CLOSET VALVE.

THIS Valve is a combination of Ross's and Johnston's Patents, and will be more readily understood by reference to the principle fully explained in Ross's Self-Regulating Water-Closet.

It is so constructed that the Closet cannot be used without a flow of water coming to cleanse the Basin so soon as the user rises from the seat, when the water will only run for a definite number of seconds, determined at fitting up, by the regulating of the small screw side valve, C. No flow of water will come while any person is using the Closet, and by no means can it be left running and wasting water.

THE WATER WILL ONLY FLOW AFTER A WEIGHT HAS BEEN APPLIED TO THE SEAT AND THEN REMOVED, BUT NOT WHILE THE WEIGHT RESTS ON THE SEAT.

DESCRIPTION.

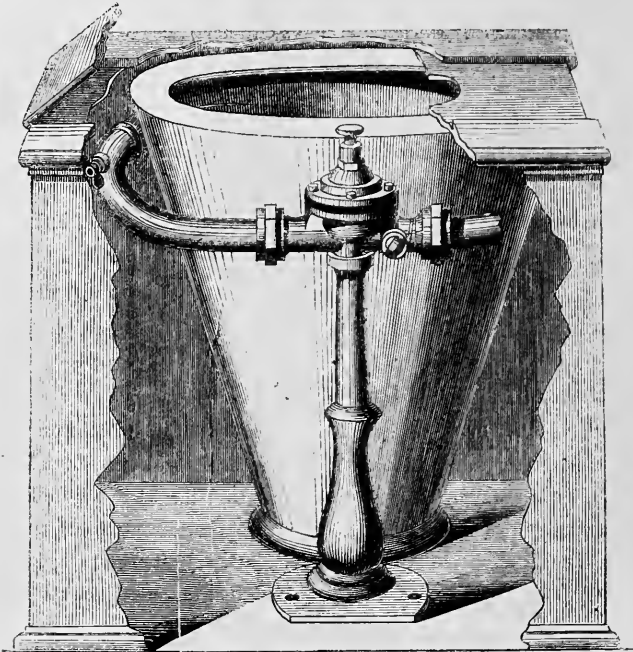

Refer to "Section—Shut," opposite page; A, inlet from the main; B B, the passage to the Basin. Through small hole beginning at C, the water pressure is admitted to inside of India-rubber Cup D, which closes the water-way by filling inside of Brass cup; the water-way to Basin can only be opened by letting away from inside of cup D, as much or more water than gets in at C, through small passage. The seat of water-closet rests on spindle G, weight of seat may be counterbalanced by a spiral wire-spring round the spindle. When the weight of a person on the seat depresses the spindle G, the upper India-rubber cup, K, is forced down on face of water-way at L, thus closing full water passage to the Basin. When L is closed, the smaller inside spindle, M, is depressed, and small cup, E, is forced down, into which are small holes, which are then opened, and water from interior of D being allowed to escape, the inside hydrostatic pressure is removed, and India-rubber cup is collapsed, allowing free passage of main water flow from A to B, but is intercepted at L from getting to the Basin so long as the pressure is kept on the spindle G. The moment the person rises and the pressure removed, the upper valve is opened, and a full flow of water rushes in to cleanse the Basin until the lower valve, D, gets gradually filled through small hole at C, when the apparatus is closed, and Closet again ready for use.

The Valve is sold screwed to a Cast-Iron Pillar, and Spindle G, can be cut shorter when the seat is low; for an extra high seat the pillar can be screwed to a piece of wood.

Is also sold with Basin and woodwork all complete. Requires no cistern, but works direct from the main.

In ordering, state the pressure of water in feet.

SELF-CLOSING REGULATOR ON PILLAR, FOR SANITARY CLOSET.

Supplied on Pillar, or with Basin and Seat complete.
Self-Closing, and cannot be left open to waste water.

THIS Closet is very simple: by touching the knob on top of Valve, a definite quantity of water flows to cleanse the Basin, and it cannot be left open.

A SELF-ACTING PAN WATER-CLOSET has also been patented, but the woodcuts are not ready for this publication. Like the Closet at page 14, it cannot be used without a water flow, and cannot be left running water to waste. May be seen in operation at the Carlton Brass-foundry, Carlton Court, Bridge Street.

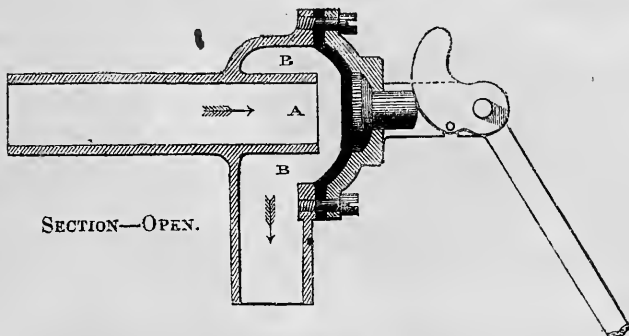

On a similar principle to the above a Self-Closing Bib Tap has been introduced, which cannot be left running to waste, or risk of damage of property or furniture.

Wholesale only from the Subscriber.

THE EVERLASTING BALL TAP.

JOHNSTON'S PATENT.

SECTION—OPEN.

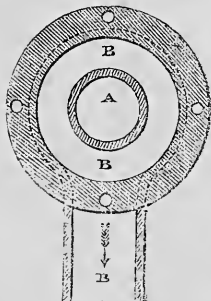

SECTION—SHUT.

A Inlet, B Outlet; Flexible India Rubber Cup; Brass work.—When Cistern is empty the Ball float falls, and Eccentric at end of Ball shank is turned so as to allow the flexible Cup to rise and give full flow through A B into the Cistern. When water in Cistern rises to the full point, as shown in "section shut," the Eccentric at end of Ball float shank forces the piston on flexible Cup , and closes the water way A.

FRONT VIEW,

With working parts, and India Rubber Cup removed.

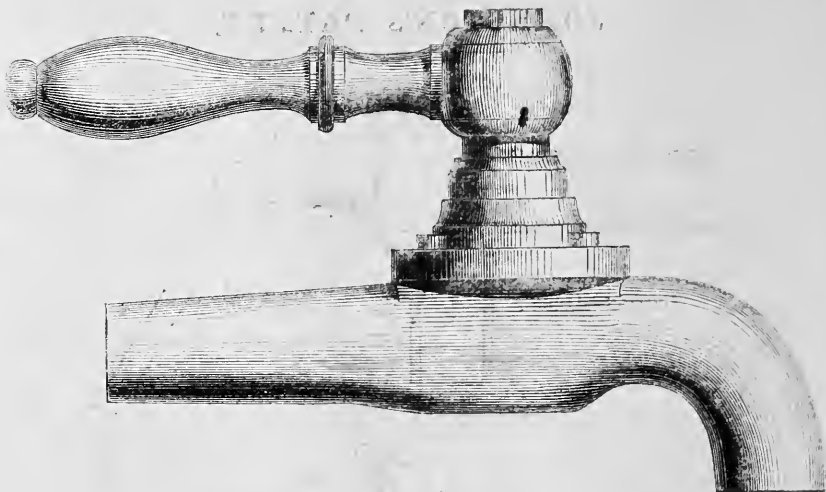

The advantages of this Ball Tap over the common ground Tap are evident at a glance. There can be no leakage, no wear of Key, as in the objectionable common Ball Tap hitherto in use, and such a constant source of annoyance and waste of water in every house where there is a Cistern and water supply. The working parts are separated from the action of the water by the India Rubber Cup, hence non-liability to wear. They cannot stick fast either open or shut, as ordinary Ball Taps frequently do. For extra high pressures a larger Ball float or longer lever is required; but they are sent out fit for a good working pressure.

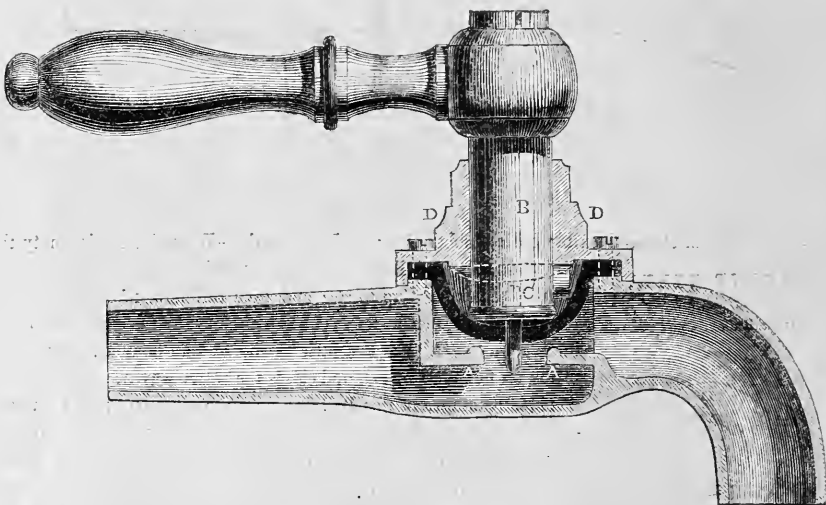

Licenses to Manufacture the above granted for Scotland or Ireland.

THE UNIVERSAL TAP.

ROSS'S PATENT.

Section Open.

DESCRIPTION.

The Handle, B, works in a Gun-Metal piece, D, which covers flange of India Rubber Cup. There is a pin or projection at C, which works, on the lower part of D, into which there are two hollows or grooves, \cup . When the Pin, C, is bearing on the flat part, the Handle and Shank, B, is forced down, and the India Rubber Cup pressed against Inlet at A, and Water-Way is closed. One-quarter turn of Handle brings Pin, C, into the hollow or groove, and the Cup rises from A, as shown in woodcut, when there is a free passage for the water.

THE
UNIVERSAL TAP,

As shown on opposite page, possesses many excellent qualities. Like the Everlasting Tap, it is free from all the objections of the old Ground Key Tap, which is never tight after a few weeks' regular use under high pressure. The working parts are all divided from the water or fluid by the India Rubber Cup partition, which acts also as the Closing Valve. They possess an advantage over Screw-Down Taps, by requiring only a quarter-turn to open or close. When Crutch or Lever Handle is in line with the Tap—as in the ordinary Water Tap—it is open; when across, it is shut. It is elegant in appearance and very durable, as well as moderate in price, when quality is taken into consideration.

THE UNIVERSAL SWAN-NECK, OR TUBE COCK,

Is constructed on a somewhat similar principle, but with only one notch or groove in the Gun-Metal Socket part, so that the Tap is only open for water supply when it is fully turned up; and at no other time should a Tube Cock be open. The part B, in section opposite, is, in this case, hollow for water passage through the Tube or Swan-Neck; and, in this instance, instead of working inside a solid Cup, it works through a conical Valve inside, which serves as a packing in screwing the parts together, and the higher the pressure the tighter it gets in embracing the part corresponding with B, in section opposite.

The annoyances of leakage and repairs of the old Swan-Neck, as used in Glasgow kitchens, is too well known to require comment. Various contrivances have been introduced, but all more or less defective till Mr. Ross introduced his last improvement on this UNIVERSAL TUBE COCK.

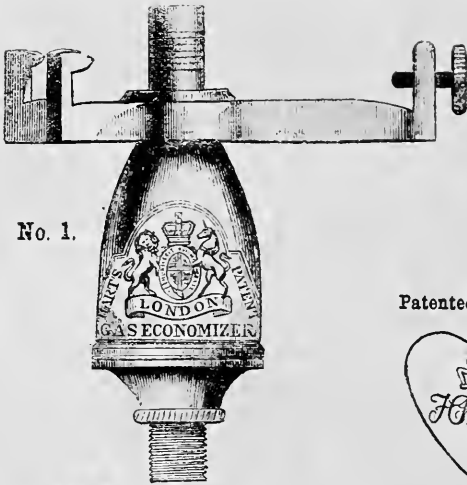

**THE HYDROSTATIC BALL-COCK,
 ROSS'S PATENT,**

Works on same principle as the Self-Regulating Closet Valve. The Ball Float has only to resist the pressure of 1-16th inch water-way from inside of India Rubber Cup. A 3-inch Ball Float, with short lever, is sufficient for even a 2-inch Ball-Cock. The advantages are—the Cock works full water-way till cistern is at the full point, and a fall of water in cistern of one to two inches puts it full on: cannot stick or set fast, and is very durable.

HART'S PATENT BURNER.

WHOLESALE DEPOT FOR SCOTLAND AND IRELAND.

Sold Retail by every respectable Ironmonger and Gasfitter in the Kingdom.

Price 2s. Each.

This very complete and simple apparatus is a great desideratum to all consumers of Gas. It can be applied to any Gas-fitting in a few moments by the most inexperienced hand. Its construction is so simple, that it cannot be deranged in any way. The saving effected—from 5 to 35 per cent.—will defray its own cost in from one to three months. The evil which necessarily arises from the great variation of pressure in the mains, is remedied by means of the Economizing Gas Burner, producing an illuminating power far superior to any other (varying in degree from 10 to 150 per cent., as proved by experiments made with photometer). This is produced by means of a simple apparatus fitted within the Economizer, which effectually checks the undue pressure, and so allows the Gas to permeate with its natural velocity; this being attained, all noises caused by overdue pressure are obviated, and any flickering prevented, at the same time preserving the Globes from breakage.

Hitherto the objection to the introduction of gas into private houses has been, that it develops a hot and very oppressive vapour: all flame naturally generates heat, but by the use of Hart's Patent Economizing Gas Burner, the Gas is so supplied that it is impossible for it to escape, either as smoke, or in a state of semi-combustion, thus preventing those noxious vapours which are injurious to health, and so destructive to works of art.

TESTIMONIALS.

“Polytechnic Chemical School, London.”

“This is to certify that I have carefully conducted a series of experiments with various Gas Burners in present use, and find that ‘Hart's Patent Economizing Gas Burner’ is the most economical of all, producing, when compared with others, a saving of 40 per cent.

“Signed this 14th December, 1858,

“I have Mr. Hart's Gas Economizing Burner fitted to every branch in my house, and can speak in the highest terms of its success. The light is perfectly steady, and the flame more brilliant, with perfect combustion, so that the air is by no means oppressive as formerly: the ceilings have no chance of being blackened, and the gilt frames and furniture cannot now, as before, be injured. I most warmly recommend their adoption.

EXPLANATION
OF
VERTICAL SECTION.
(Not Full Size.)

The Governor is set to meet all ordinary pressure; but to regulate it for very high or low pressure, it only requires A to be unscrewed from B, and the plate C screwed a little up to decrease the light, and down to increase it; this being done by the Fitter when first applied, will not require any further attention.

NEAL'S
PATENT GAS-LIGHT GOVERNOR,
 AND
PURE ADAMANTINE BURNER.

The following are some of the advantages which result from its use, viz. :—

- 1st, The flow of gas to the burner is governed in just proportion to the power of consumption.
- 2d, The unpleasant noise and flickering of the flame, complained of with the ordinary Burner, is prevented.
- 3d, A perfect combustion of gas is insured, which, if not consumed, is injurious to health and destructive to works of art.
- 4th, The illuminating power of the gas is greatly increased.
- 5th, A considerable saving is effected in the quantity of gas consumed.

This Invention is equally applicable to Argand, as well as Jet Burners, and there is nothing used in its construction which can oxydize or corrode, as the passage through which the gas passes is of pure White Adamantine, which cannot be acted upon by heat or acid.

It is invaluable in a sanitary point of view, as the impurity of the air arising from the smoke and unconsumed noxious gas which pass through the ordinary Burner is prevented, and perfect combustion insured.

The Governor is NEW, UNIQUE, perfectly simple in construction, and ornamental; it can be applied to a Drawing-room Chandelier at half the cost of other Gas Regulators now offered to the public.

The pressure of Gas can be regulated at pleasure by the most inexperienced hand, by simply tightening or loosening the screw inside the cup at the under part of the Governor, as described with Section.

OF THE

Chiefly Used in the Arts and Manufactures,

BY

WILLIAM JOHNSTON,

METAL MERCHANT,

49 MITCHELL STREET, GLASGOW.

THE leading Newspapers of England and Scotland have given long and very favourable notices of this CHART, from which are subjoined some short extracts:—

"The manner in which Mr. Johnston has accomplished this extremely tedious task, reflects the highest credit upon his tact and judgment. The sheet presents at one view an immense amount of information, of the greatest utility to all connected with the metal trades, the authorities quoted as having been consulted in its compilation being sufficient guarantee for its accuracy. Amongst the most important features, we may mention a diagram giving the prices of the principal metals on the first Saturday of each month during the last sixteen years, and tables giving the average prices for each year during the same period. There are also tables of the specific gravity, melting point, discoverer's name, and date of discovery of the several metals; with their order of hardness, ductility, malleability, heat-reflecting, and heat-conducting powers—electrical conduction, fusibility, tenacity, &c.; the Birmingham wire and metal gages, and the modern Belgian zinc gauge, with their dimensions in decimals of an inch; thickness and weight of the several metals, tubing, &c.; and their strength and power to resist pressure. The sheet, in fact, contains as much information in a condensed and tabular form as could be gleaned from a large number of books and tedious research."—*Mining Journal*, London, March 15.

"A monument of industry and knowledge of this important branch of commerce and trade, perhaps as durable, and certainly more universally useful, than many of those erected to commemorate the names and acts of merely local celebrities. Contains such an amount of information, of all kinds, connected with metals in every state, and in many manufactured forms, that it will serve the purposes of a DICTIONARY and READY-RECKONER to all persons engaged in metallurgical processes—to metal manufacturers, mechanics, and merchants."—*Glasgow Herald*.

"Succinct and comprehensive. An extraordinary *vidimus*—invaluable for the counting-house of parties engaged in the metal industry of this country."—*Glasgow Citizen*.

"Large, elaborate, and beautifully printed. A more valuable adjunct to the business of the dealer in metals, or to the experiments of the man of science, could not well be conceived."—*Daily News*.

"No BANK, HOTEL, or PUBLIC INSTITUTION should be without one copy, at least. So systematized, that no person can err in consulting it. Considering its dimensions, accuracy, and clearness, the chart is amazingly cheap."—*Bulletin*.

"Embraces every point in connection with metals, which the worker or dealer in such may require to know—will, we are sure, be extensively popular. We recommend it to the public, whose business will be facilitated, by ascertaining at a glance," &c., &c.—*North British Daily Mail*.

"Can confidently recommend it to all who are connected with the metal trade."—*Birmingham Journal*.

"Must be invaluable—presents an immense amount of information."—*Manchester Examiner and Times*.

"There is not an item of *practical* information as to metallurgy, which will not be found in Mr. Johnston's admirably prepared and elaborate tables."—*Falkirk Herald*.

"To all who deal or work in metals it will be found indispensable. It presents, in a shape easy of reference—in fact at one view—the contents of dozens of volumes, so far as practical utility is concerned."—*Edinburgh Daily Express*.

"A vast deal of labour must have been expended in the preparation of this sheet, and it gathers together a mass of information, which must render it extremely useful to all connected with the metal trades."—*Bristol Mercury*.
